**Von Bodie Thoene, Brock Thoene : Ashes of Remembrance (Galway Chronicles Book 3) (English Edition)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Ashes of Remembrance (Galway Chronicles Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A WONDERFULLY MOVING STORY.Von Ein KundeI must admit that at first I had some trouble getting into the

Galway Chronicles. I think now it was a matter of getting used to the authentic Irish dialect and the fact that the heroes of the story are Catholics! After chapter two of the first book my brain adjusted and I have been hooked ever since. Marvelous stories! This one follows the story of Kate and Joseph and the beginning of the political troubles of pre-famine Ireland. I am learning things I never understood about the true beginning of the Irish troubles. More than that, my faith is being stretched. My ingrown prejudices against Catholics (don't all Protestants have even a bit of suspicion?) have been challenged. My heart has been opened to those whom I have been taught all my life to suspect. Could Catholics know and love the same Jesus I know? Well, what a thought. Probably these books will offend a number of Protestants because they seem to show that both Irish Catholics and Irish protestants really banded together in that time to free themselves from English rule. They had a common love of Christ and of liberty. They were something like the founding fathers of our own nation!~ What a revelation! Are these books banned in England? Are they burned in some Protestant church parking lot because they seem to say that Christ is alive and well in the hearts of men and women on both sides of the denominational lines? I have known that my goal as a believer in Life for the unborn was shared by Catholics. I was once surprised by that in my early days as a bigot. Now I am finding that we share the same Lord, the same baptism, the same hope. Bravo to the Thoenes for writing a series of novels which tell the truths of God's love so clearly in such an unexpected way. The topic was explored with great courage and tremendous spiritual insight. Can't wait for book four! May God bless them in tearing down the walls between Protestant Christians and Catholic Christians. (Just as they have done between Jews and Christians in their Zion books.)

0 von 0 Kunden fanden die folgende Rezension hilfreich. Good follow up, weaker plot  
Von Ein Kunde  
This, the third book in the Galway Chronicles, is somewhat weaker in plot and story line than the first two. The story moves along quickly, but the suspenseful points are less believable than similar points in the first two books. Character development is also weaker than in the first two books. The good guys are so good that you find yourself wondering when they'll do something interesting, so half of the suspense comes from the reader wondering whether these "too good to be true" characters are really wolves in sheep's clothing. Turns out that they're really as angelic as they appear to be. And when a familiar antagonist tries to play a good guy, his behavior is so out of character, based on the previous two books, that it leaves you wondering how Kate could possibly have been duped in to trusting him. Perhaps her desperation clouded her thinking. The relatively static characters and less-eventful plot don't pull you into the story as easily as the first two books did, and although many of the antagonists are eliminated quite easily, I think there is still room in the story for a fourth book.

Von Ein Kunde  
I can promise there is nothing out there as good as Thoene audio books! The first Thoene audio book we got was Shiloh Autumn! It was amazingly above and beyond any other audio book we ever heard. Now along comes the audio books of The Galway Chronicles! They just keep getting better and better! The music, the sound effects, the soft Irish voice of Sean Barrett all combine to make the listening experience of these audio books one of the best me and my family have ever heard. We do not watch TV, but spend our evenings sitting together and listening to these great stories. No other audio books capture the drama and the excitement of the stories like these. I have heard that the audio books are produced by the Thoene sons and that the Thoene daughter does the abridging. This must be a labor of love for the whole Thoene family and it has blessed my family immensely! Their care in making these books on tape is obvious. I cannot say enough good about these audio books in the Galway Chronicles and of Shiloh Autumn as well.

Kurzbeschreibung  
Set in a place and time in Ireland's history which affects the age in which we now live, Ashes of Remembrance continues the story begun in Only the River Runs Free and Of Men and Of Angels. Following the passionate Irish fight for freedom these gripping novels bring the heroism and heartbreak alive for modern readers, showing the roots of the troubles that brought so many Irish to the shores of America-and which continue to plague England and Ireland today. Ashes of Remembrance takes up the story in the fall of 1843 with the marriage of Kate and Joseph. But a conspiracy succeeds in separating them, and Joseph is deported to the new world while Kate must fight the secret enemies who plot to kill her and destroy the village.
