Von Barbara Freethy : Ask Mariah (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ask Mariah (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. outstanding story of family and love.Von Ein KundeI am a real big fan of lavyrle Spencer and Danielle Steele's writing

styles, and it is rare that I find someone that compares to their talents. But this book is right up there with them!! I really enjoyed this story of family love and values. There were a lot of things happening all of the way through the book to keep your curiosity peaked!! Ms. Freethy reels you into this story of family loyalty, betrayal, love and children. I love a book that can keep you turning pages even late at night!! I'm looking forward to reading her other two books, hoping that she brings another one out soon. A must read in my opinion!0 von 0 Kunden fanden die folgende Rezension hilfreich. a fantastic page turnerVon Ein KundeI was looking for a new author to get into when I picked up this book. Once I started reading, I couldn't put it down. The storyline was so great that you had no choice but to keep reading. It's been quite a long time since a book kept me this involved. This is definitely a must read!0 von 0 Kunden fanden die folgende Rezension hilfreich. Compelling Story!!Von CustomerI thought that this was a great story. The characters were believable. I was drawn into the story. Definitely a must-read!

KurzbeschreibungFans of Nora Roberts, Susan Elizabeth Phillips, and Debbie Macomber will enjoy this romantic and emotional contemporary romance by award-winning and #1 New York Times bestselling author Barbara Freethy. Joanna Wingate knows something is missing from her life, something she never dreamed she'd find in a handsome stranger's children -- mischievous six-year-old twin sisters who look up at her adoringly ... and call her "Mama." Since his wife's accidental death, Michael Ashton has struggled with his many responsibilities as a single parent to twin daughters who, though they clearly love him, refuse to speak to him. Then he meets Rose and Lily's new teacher, and his emotions spin out of control. For Joanna Wingate is the mirror image of his late wife. Bizarre coincidence, a strange destiny... or something altogether different has joined these four lives. The twins believe Mariah -- a magical fortune-teller in a crystal ball -- has the answers. But only Joanna and Michael's willingness to confront long-buried secrets can guide their families back to wholeness ... and unite them in a love that seems meant to be. ASK MARIAH is a standalone full length novel of 100,000 words and was nominated for the RITA for BEST SINGLE TITLE CONTEMPORARY ROMANCE by Romance Writers of America! s..."A warm and wonderful book about love, family and everything that's important in life. Irresistible! I loved it!" Susan Elizabeth Phillips"Barbara Freethy does it again! This highly talented author puts her own unforgettable twist on an emotional and complex drama." Romantic Times"Ms. Freethy has woven together some of the most endearing characters around into a tightly crafted plot to give an excellent read." Rendezvous Magazine"Compelling and well written, this multilayered romance promises appealing characters, a dash of humor, and a bit of unexplained magic to a story with a serious theme." Library Journal"A rich, complex family saga, full of secrets and a touch of magic. Splendid!" Bell, Book and Candle Bookstore
