Von Vaughn Heppner : Assault Troopers (Extinction Wars Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Assault Troopers (Extinction Wars Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Ok.Von A.F.H. TintenkriegerWhat Hepper is:- excellent at:Bringing to life a homicidal maniacal ex-con(prisoner) lacking higher brain functions, wisdom and manners- good at:Writing action filled sequences, acceptable dialogues and coming up with good background stories.- not so good at:Writing a consistent, logical universe, grammarspelling,

coming up with more than one plot idea for obstacles- annoying at:Wasting pages away with historical military documentary ranging from the Greeks to modern times Iraq.This book has some novel ideas and for itself is an enjoyable read. The following two parts Planet Strike and Star Vikings will deliver just more of the same though and wont develop much.0 von 1 Kunden fanden die folgende Rezension hilfreich. Space Wars der SuperlativeVon Bob LeseratteNicht genug, dass die Erde de facto vernichtet ist und die wenigen berlebenden als Slgner versklavt, dier Band und der nchste steuern erbarmungslos auf die totale Vernichtung des gesamten Universums hin... super spannend, Military SciFi vom Feinsten mit glaubwrdigen Figuren. Gbe es sechs Sterne, wrde ich sie vergeben.0 von 0 Kunden fanden die folgende Rezension hilfreich. Better than I thought!Von BarqkeeperAfter much trash I came across this one and tried it, with no high expectations. I found it to be a good story, good style, exciting, with a minimum of (laymen) technobabble. Mil Scifi, centered on a grunt.

KurzbeschreibungThe Earth died when aliens rained thermonuclear warheads on her cities and sprayed the surface with a bio-terminator. A deadly poison drifted to every corner of the planet, threatening the last survivors with annihilation.For a soldier in Antarctica like Creed, there is only one way to keep breathing untainted air. He must join the Jelk Corporation as an assault trooper, leaving the planet for outer space. In return for his and other peoples services, the Jelk will house the last humans for as long as the assault troopers keep winning.For the price of living and the chance to save humanity, Creed has to wear a shock chip in his neckJelk discipline is harshand he has to don a symbiotic battlesuit that feeds off his sweat. Human life is cheap in the vast alien war. The assault troopers are little more than suicide soldiers, but for humanity to escape extinction, they must survive. But Creed didnt agree to the bargain in order to remain a dog to the aliens. He has a plan, and hell need all his cunning to beat the extraterrestrials and begin the road to freedom for the human race.KurzbeschreibungThe Earth died when aliens rained thermonuclear warheads on her cities and sprayed the surface with a bio-terminator.
