**Von David Weber : At All Costs (Honor Harrington Book 11) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised At All Costs (Honor Harrington Book 11) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen18 von 19 Kunden fanden die folgende Rezension hilfreich. Weber at it's bestVon JanakiWas soll man zu diesem Buch sagen, ohne zuviel zu verraten? Vielleicht soviel: "At all Costs" ist die langerwartete Fortsetzung der Haupthandlung um Honor Harrington.Zum Plot: Der wiederaufgeflamnte Krieg zwischen Haven und Manticore tobt weiter, mit aller Hrte und Gnadenlosigkeit - und mit wechselndem Erfolg. Und doch scheint die Hoffnung auf Frieden noch nicht verloren. Allerdings - Frieden zwischen Haven und Manticore ist etwas, was nicht in jedermanns Interesse liegt...Auch in Honors persnlichem Umfeld tut sich eine Menge, und wie schon auf dem Titelbild zu erkennen ist, spielt unter anderem auch ein altes Kinderbuch eine Rolle.Zeitlich luft dieser

Roman grtenteils parallel zu dem Roman "Shadow of Saganami". Er setzt nur etwas eher ein und hrt etwas spter auf als dieser. David Weber hat, fr mich jedenfalls, mit "At all costs" die Scharte ausgemerzt, die er sich mit "War of Honor" (dt.: Ein neuer Krieg / Honors Krieg) eingehandelt hat. Der Roman ist meiner Meinung nach einer der Besten, die er je fr das Honorverse geschrieben hat und er endet mit einem Szenario, an das kaum einer je zu denken wagte ... auf jeden Fall ein perfekter Cliffhanger, der mich ngelkauend auf den nchsten Honor-Harrington-Roman warten lt ;) 12 von 14 Kunden fanden die folgende Rezension hilfreich. eines der besten Bcher aus dem Honorverse Von Bernd Ebert Nach dem ziemlich entuscheidenden "War of Honor" habe ich mir schwer berlegt ob ich mir "At all Costs" als gebundene Ausgabe kaufen soll. Inzwischen bin ich gottfroh da ich es getan habe, denn das Buch ist sicherlich eines der besten aus dem Honorverse, Weber hat es geschafft einen wirklich fesselnden Plot aufzubauen! Zu Story: was mir sehr gefallen hat ist, dass im Gegensatz zu vorherigen Bnden (insbesondere War of Honor) alle Protagonisten soetwas wie ein Gehirn besitzen (was man wohl bei High Ridge Co nicht sagen konnte). Schn ist auch, da es keine so starke Schwarz/Weiss-Malerei mehr war. Zusammen mit "Flag in Exile" ist "At all Costs" mein absoluter Favorit in der Honor-Harrington-Serie. Gemein ist nur das Ende, da einen wirklich dem nchsten Buch entgegen fiebern lsst :-)) 11 von 13 Kunden fanden die folgende Rezension hilfreich. Weber Evil Von Detra Fitch The Star Kingdom of Manticore and the People's Republic of Haven are still in the bloodiest war ever known. In a previous novel, readers learned that the Havenites believed the Manties, during a cease-fire, altered documents. Therefore, the Havenites fired the first shot, ending the cease-fire without even bothering to notify the Manties. Now the Havenites have reason to believe that the Manties never altered anything. In fact, it appears that one of their own did the altering, hoping to cause the war to continue ... and succeeded. Haven President Eloise Pritchard wants nothing more than for the war to end. She releases a POW, who happens to be close to Honor Harrington, with a message for Queen Elizabeth. Eloise wants to meet and discuss terms for peace. Elizabeth is given the choice of when and where. Eloise asks that Honor be included, as well as, the treecats. Honor Harrington is still close to Hamish and Emily (of White Haven). As Honor begins her return to the front, she learns that she is pregnant. Though all know, in the back of their minds anyway, who the father is, no one dares state it aloud. Since being killed in battle is always a possibility, Honor has her unborn child removed from herself and placed in a tube to mature. (Totally safe.) Those on Manticore and Grayson, depending on how they feel about Honor, are either thrilled to learn about an heir or furious and wanting to use the child as a weapon against the mother. \*\*\*\*\* First off let me state that I hope the author creates a whole new series about Torch, its teenaged queen, and its ian people. Such potential exists there. Queen Berry Zilwicki came across much better than Queen Amidala could ever hope to have done. Honor Harrington is something of "a personal bogeyman" for the Havenites. As always, Honor's reputation for unusual strategies grows, with great reason. If a student is only as good as his or her teacher, then the author, David Weber, is down right scary! The planning, tactical details, and battle executions are unnerving to me. I totally believe Weber to be a genius in this regard. As my husband or I read ANY book by Weber, we lose a lot of sleep. We no longer bother to inform the other of WHY we look so tired and exhausted. We simply look into the eyes of the other and say, with a voice of pure disgust, "Weber Evil." Those two words say it all. This series has my highest possible recommendation! \*\*\*\*\* Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung What price victory The war with the Republic of Haven has resumed . . . disastrously for the Star Kingdom of Manticore. Admiral Lady Dame Honor Harrington, Steadholder and Duchess Harrington, the single victorious Allied commander of the opening phase of the new war, has been recalled from the Sidemore System to command Eighth Fleet. Everyone knows Eighth Fleet is the Alliance's primary offensive command, which makes it the natural assignment for the woman the media calls "the Salamander." But what most of the public DOESN'T know is that not only are the Star Kingdom and its Allies badly outnumbered by the Republic's new fleet, but that the odds are going to get steadily worse. Eighth Fleet's job is to somehow prevent those odds from crushing the Alliance before the Star Kingdom can regain its strategic balance. It's a job which won't be done cheaply. Honor Harrington must meet her formidable responsibilities with inferior forces even as she copes with tumultuous changes in her personal and public life. The alternative to victory is total defeat, yet this time the COST of victory will be agonizingly high. At the publisher's request, this title is sold without DRM (DRM Rights Management).
