**Von Margaret Allison : At Any Price (Silhouette Desire)** before purchasing it in order to gage whether or not it would be worth my time, and all praised At Any Price (Silhouette Desire):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. short and sweetVon kanyeziI bought the book after having read a story by Margaret Allison in a compilation of stories (Upon a midnight clear), which I had bought since there were stories by Jude Deveraux and Linda Howard in it. "A single demand" is short and sweet. It is a nice romance with likable characters and if you enjoy the type of stories, such as Jude Deveraux or JAK write (though without the murder-mystery part), I am sure you will enjoy the story. For me personally, the happy end is a bit overdone, therefore 4 instead of 5 stars but all in all a short and sweet read for a

sunny day on the balcony.
