Von Seymour Gerald : At Close Quarters (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised At Close Quarters (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. You will not regret the purchase. A excellent travel companion. like other books written by the author.Von Volkmar DwengerNext to Mr Frederick Forsyth the author Gerald Seymour is one of the top ten in this field.At times I find it difficult to say how much is imagination and autghors inspiration and how much is true,but it sems to me Mr.Seymour

is NOT exaggeration but writing with British =Underplay= and more a reporting journalist than an author, but I like his books a lot.

Kurzbeschreibung Peter Holt a young diplomat witnesses the horrific murder of his fiancée and the British Ambassador within days of a new posting to the Soviet Union. The report of the murder lands on the desk of a British Intelligence officer who suspects Palestinian involvement although the Russians insist that it was not a terrorist attack. The British government is determined to exact revenge and Holt is the only man able to identify the assassin. He is sent to the Lebanon and the perilous Beqa'a Valley which serves as a stronghold for the most extreme guerilla groups. Unauthorised access to the valley is virtually impossible and capture by the Syrian Army would result in torture and death. His only company is Noah Crane an Israeli expert sniper who acts as his mentor and guide. But when Syrian Intelligence learns of their presence their cover is blown. And now it is too late to turn back.

Pressestimmen A high-class thriller, grounded in reality and as taut as a bowstring Daily Telegraph Don't rush through this well-crafted adventure story; if you do, you'll miss savouring the sheer pleasure of fine writing and an intricate plot so skillfully woven that every development falls believably into place Sunday Times
