**Von Diane Moody : At Legend's End (The Teacup Novellas Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised At Legend's End (The Teacup Novellas Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. lean back and enjoyVon Hoener, BirgitDiane Moody writes about a writer, and it's the current story that author is writing which makes up this book. It's a heartwarming tale about 2 forty-somethings, set in their ways, meeting and falling in love, and the obstacles needing to be removed when you do have forty-something years of experience and habits and need to change your ways.An easy narration style (in the positive sense), an interesting plot set in a tourist town in

winter, a good style - it makes the reader overlook some of the less likely events and just sit back and enjoy reading. This is the 4th book in that series, and I would not mind reading the other three and any following.

KurzbeschreibungFrom bestselling author Diane Moody, *At Legend's End* has over 180 "Five star" reviews. When her best friend prayed for God to "blow your socks off," Olivia Thomas had no idea that prayer would be answered only a few hours later. Stunned by such an unexpected gift from someone she'd helped years ago, Olivia suddenly finds herself with unlimited possibilities. She packs her bags and heads to Caden Cove, a tiny coastal town in Maine, where she hopes to figure out what to do with the rest of her life. Little does she know her reservation at the Captain MacVicar Inn has put her in the path of a historic legend. Trevor Bass owns Caden Cove's only bookstore and dabbles in real estate. All the locals know the grouchy bookseller is an avowed bachelor, which explains their utter shock when he invites a "tourist" to visit their book club. The mere hint of romance sends the town into a frenzy wondering if the object of Trevor's affections could be the next victim of the legend's curse. Will history repeat itself once more in Caden Cove?
