KundenrezensionenHilfreichste Kundenrezensionen8 von 9 Kunden fanden die folgende Rezension hilfreich. Simply WOWVon Bcherwurm73Alyssa Days Atlantis serie is really really good. I came across her books by accident after

reading the Atlantis series from Gena Showalter (sorry but i have to say the Lords of the underworld series got me hooked but the Atlantis series was not a highlight!)I was very carefull and did not expect to much off it but it was a pleasant suprise and can only say thank God I did :-) came across these books.This is the fourth book in the series sofar and tells the storie of Alexios and Grace. I can only recommend this series! I personally hope that Alaric will get his own storie told soon :-)Alexios is a strong caracter and the dialog between him and Grace never got boring. Also the idea with the Gem Stones in order to make Atlantis rise is very original. well to find out more i would say go ahead and buy the books.
