Von Nancy Atherton : Aunt Dimity and the Next of Kin (Aunt Dimity Mysteries, Book 10): A wonderfully cosy Cotswolds mystery (Green Mountain) (English Edition) before purchasing it in order to gage whether or not it

would be worth my time, and all praised Aunt Dimity and the Next of Kin (Aunt Dimity Mysteries, Book 10): A wonderfully cosy Cotswolds mystery (Green Mountain) (English Edition):

Kurzbeschreibung An expected death unearths unexpected clues... Full of delightfully surprising twists and turns, Aunt Dimity and the Next of Kin is another page-turning instalment in Nancy Atherton's series that has won the hearts of cosy crime fans everywhere. Perfect for fans of M. C. Beaton and Agatha Christie. 'A charming mystery, filled with warmth and affection' - Deadly Pleasures Magazine Mystery follows Lori Shepherd wherever she goes - even while volunteering at her local Infirmary. There she meets Elizabeth Beacham, a retired legal secretary with no family except for one brother - who has inexplicably disappeared. When Miss Beacham passes away suddenly, Lori is sad to hear of her demise. But after receiving an envelope containing keys and a letter written by Miss Beacham before her death, she suspects there may be more to events than meets the eye. Armed with clues and with her ghostly Aunt Dimity's help, Lori begins to unearth secrets and surprising truths about her own next-of-kin... What readers are saying about Aunt Dimity and the Next of Kin: 'A truly heart-warming book. It was full of love and laughter! Enjoyed every page' 'Lovable characters, entertaining story, and colourful writing make this book an easy, and fun, read' 'The whole series is delightful. It has a little bit of everything' From Booklist The premise of the Aunt Dimity series sounds a bit twee even for confirmed cosy lovers: wealthy American Lori Shepherd, living in the Midlands region of England, communicates with "Aunt Dimity," a deceased family friend, through a mysterious journal. For readers willing to play Atherton's game, however, the series can be thoroughly entertaining. To know Lori, who manages to be incredibly altruistic yet not particularly angelic, is to love her. Reading about her life in her snug cottage with her five-year-old twin sons and kind husband is as comforting as a cup of hot cocoa, with the denizens of her tiny English village serving as the marshmallows on top. This time Lori, volunteering at the hospital, befriends a certain Miss Beacham and is greatly saddened when she dies. Then Lori receives a letter from the deceased asking her to solve a mystery: Where is Miss Beacham's estranged brother? Fans of complex plots and taut suspense won't find succor here, but lovers of simpler pleasures will purr quietly. Jenny McLarin Copyright American Library Association. All rights reserved.
