Not that she ever really left...Von Karen Bierman HirshNancy Atherton's cozy mystery series is wonderful and Aunt Dimity's Christmas proves it all the more. While I am not a big fan of cozy mysteries this series

touches the heart but is also fun. You really get to know Lori and her extended family of friends and creatures. Dimity teaches Lori the true meaning of Christmas and the reader learns the lesson as well. While planning a lavish family holiday (as well as working on the town's preparations) Lori stumbles upon a homeless man, half frozen to death on her door step. Why has he chosen to seek her out and who is he? Lori, with the help of Dimity, tracks the man's past down and makes some new friends along the way and realizes the true spirit of the season. The only gripe I have with this book is that we did not get to see enough of the other characters that populate the Dimity series such as Emma and Derek and their daughter Nell (with her lovable bear Bertie). I highly recommend this book for it's warm and wonderful story! Once you start reading this series you won't want to stop. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Aunt Dimity is back and Better than Ever Von Moe811 I love the Aunt Dimity series of cozies. There is something very reassuring about the ghost that watches over her loved ones and their children. The characters are well drawn and entertaining and the mystery very engrossing. I recommend all of these books and look forward to the next adventure. 2 von 2 Kunden fanden die folgende Rezension hilfreich. A Rare Gem Von Southern Katrina Having been enchanted by the Aunt Dimity series from the first installment, I am no doubt prejudiced, but this one is a cut above. Not only is there tantalizing mystery, but the author grabs your heart by the second page and holds it until the end. One feels every emotion, from bafflement to guilt and all in between, right along with Lori Shepherd. In addition, you will be teased by the puzzle, but not maddened, and then thoroughly satisfied by the result. This one is going to remain a favorite of mine.

**Kurzbeschreibung** The fifth installment in the bestselling and beloved Aunt Dimity series. Watch out for Nancy Atherton's latest, *Aunt Dimity and the Widow's Curse*, coming in May 2017 from Viking! Lori can hardly wait for Christmas this year: lean times are over, the cottage Aunt Dimity willed her is more beautiful than ever, her nine-month-old twins, Will and Rob, are thriving, and she and husband Bill have never been happier. Determined to make this Christmas the best ever, Lori embarks on a round of shopping, holly-cutting, angel-cookie making, and more. When fat snow flakes begin drifting down outside of the window, Lori feels all her holiday wishes are about to come true. But the next day, beneath the lilac bushes now covered by freshly fallen snow, Lori makes a disturbing discovery: the body of a mysterious stranger--a tramp--barely alive. While the nearby village of Finch continues with its seasonal preparations, including rehearsals for the Christmas Eve Nativity play, Lori puts her plans on hold and teams up with Julian Bright--a devilishly attractive Roman Catholic priest--to search out the stranger's identity. Their journey takes them from abandoned World War II airfields to homeless shelters, places where the Christmas star shines dimly, if at all. As Lori unveils the tragic secret that led the stranger to her door, she confronts painful truths about herself and discovers the real meaning of a perfect family Christmas. From the Paperback edition. **Pressestimmen** Praise for Nancy Atherton and the Aunt Dimity series "Atherton smoothly blends history, village life, and the otherworldly." *Publishers Weekly* "Every scene is superbly crafted to perfection. Even if you have not read all the books in this series, I have not, you can enjoy and immerse yourself in this cozy mystery. *Open Book Society* "I love the graceful style... the sense of tight-knit community, characters who aren't afraid to be themselves, and, the unique paranormal element... I only wish I had learned about this series earlier." *Gotta Write Network* "In the realm of the cozy mystery, there are few series that can hold a candle to Atherton's Aunt Dimity series." *everydayebook.com* "Atherton is a superb writer who brings a lot of charm and wit to her story." *Suspense Magazine* "Always a charming read, the Aunt Dimity series is just right for when life gets too hectic and you need to slow down a bit." *Deadly Pleasures Magazine* "Let Nancy Atherton and Aunt Dimity remind you of the reason you got hooked on books in the first place. I promise you will be scouring bookstores for more of the series after you give it a taste." *CrimeCritics.com* **Kurzbeschreibung** The fifth installment in the bestselling and beloved Aunt Dimity series.
