MUST READ-CAPTIVATING STEAMY ROMANCE!Von midniteink4.5 STARSAUTUMN FALLS-A captivating romantic Story:This story features; Autumn, a curvaceous, sassy, redheaded beauty; Louie, a charismatic, sultry,

Police Officer. What you'll find in this story; a cast of impressive and engaging characters, fabulous story-line, realistic scene descriptions, banter, family issues, emotions spiral, heart-pounding pulsating romance, and a melt your heart conclusion. Autumn returns home and works as a receptionist at her Sister's beauty salon. She is in need of money to pay some personal bills. She also hides a horrific secret from her family, but does tell Louie her secret which releases his protective instincts. He cares deeply for her but she always leaves him. Autumn is waiting for her dream job to come through and she will be on her way again. Autumn doesn't realize, that home is where the heart is. Fabulous well written read by a gifted author. The characters are convincing and certainly praise-worthy. The chemistry between Louie and Autumn is endearing. The fusion of authenticity and fantasy make the story impressive. I enjoyed this story; it was a gratifying read. If you treasure fantasy romance this is a terrific choice for your library. {I received a copy of this book for a completely honest review}. In the world of fantasy romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

Kurzbeschreibung Some loves cannot be forgotten, even if they don't work. Book 2 in the Celestial Springs Salon Trilogy -- A Barrum, KS Book Coming home isn't what Autumn Jones wanted to do, but when one no longer can afford the wanderlust, one has to go home. But as soon as her wallet fills back up, she's gone again. No strings on her, not now, not ever. At least, that's what she thinks, until she runs into the one thing that always made her stumble. Louie Castle. Now a police officer for Barrum, Louie upholds the laws for the city. Though bumping into Autumn immediately makes him want to forget the rules he'd pledged to uphold. How did the red head get a hold of him so fast and so hard? Especially when he knows she'll be out of his life as quickly as she came back. The last thing Autumn wants is to be a police officer's perfect little wife. Even if it is for Louie. Kurzbeschreibung Some loves cannot be forgotten, even if they don't work.
