novels are good.

Kurzbeschreibung Now a Hallmark channel original movie. Frankie Baudouin has a hundred reasons not to trust Nate DeLuca. First, he's a DeLuca. Second, he kissed her in front of the entire town and then never called. Oh, and he's after her land. Sorrento Ranch is Frankie's last chance to prove to her family and to herself that she has what it takes to be an award-winning winemaker. And she will stop at nothing to ensure her success even if it means playing nice with the starched, sophisticated, and oh-so-sexy Italian. For Nate, Sorrento Ranch is more than just soil and grape vines; it was his father's dream. Nate is determined to make a reality. So when he finds himself forced to cohabitate with a hot-headed, irrational, and incredibly gorgeous Baudouin, Nate is surprised to discover that chaos could be so much fun especially when she sleeps in nothing but lace.
