Schwierigkeiten als Hunter Maxwell sie eines Tages aufsucht und sich um die Stelle des Foremans bewirbt. Elyssa braucht dringend Hilfe und stellt ihn ein, nicht ahnend, da der eigentliche Grund für Hunters Anwesenheit die Culpeppers sind, eine Bande von Gesetzlosen, die in der Gegend ihr Unwesen treibt und vor einigen Jahren seine Frau und seine Kinder ermordet hat. Wer Cowboys mag, mit Rindern und Pferden, Viehdiebstählen und Schieereien, kommt hier voll auf seine Kosten. Eine schöne Liebesgeschichte, plaziert im "wilden Westen". Die Spannung bleibt bis zum Schluss erhalten, man ist fast ein wenig enttäuscht, wenn die letzte Seite erreicht ist und die Geschichte endet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Autumn Lover Von Ein Kunde This is not her best book, if you would like to read her best in my opinion it would be her forbiddin series. She has one more character to finish out in that series. I've been waiting for that book, I think it would be her best work. Autumn Lover is full of her favorite touches of sex and romance enough for you to start and finish the same day. Another keeper by Lowell like all her others. I've read all Elizabeth Lowell's books and Amanda Quicks and they're all keepers 1 von 2 Kunden fanden die folgende Rezension hilfreich. Not as fantastic as I expected Von Natasha Abed Autumn Lover was good. The only problem I had was in Hunter's attitude towards Elyssa. He constantly made disparaging assumptions about her character, and I found it difficult to accept his eventual love for her. He disliked the way she dressed, the way she moved, in fact EVERYTHING about her! Elyssa, knowing that her old dresses did not cover her up very well, and knowing that it contributed to unwelcome advances from one of her hands, continued to wear them, even though she was uncomfortable in those clothes. I liked her character - she was strong and determined. Although Hunter's past does redeem him to a certain extent, it still couldn't justify all of his actions. Winter Fire is a much better read - definitely 5 stars, and worth buying. I'd recommend reading this book, if only to get more insight into Case Maxwell's character.

Kurzbeschreibung Returning to her Wyoming ranch at the Civil War's end, Elyssa Sutton finds it picked bare by scavengers and coveted by determined men. Yet the proud young woman vows never again to abandon her Ruby Mountain home, though it means enlisting the aid of a dark and dangerous stranger who lives for revenge alone. Hunter Maxwell has suffered from the savagery of outlaws and the faithlessness of a woman. And he will trust no female - nor will he rest until the raiders who destroyed his family pay for their crimes. A woman in, need, a man in pain, in fury and fire they must now stand as one to fight for something cherished, something lost ... and for a passion neither dreamed could live. In the brisk chill of Autumn, ravaged hearts will be reborn. de Beautiful, determined Elyssa Sutton has returned to her isolated ranch in the Ruby Mountains of Nevada after the Civil War -- but the Culpepper gang wants the horses, the ranch, and Elyssa, and they'll kill anyone who gets in their way.
