**Kurzbeschreibung**The world of Arkaria is a dangerous place, filled with dragons, titans, goblins and other dangers. Those who live in this world are faced with two choices: live an ordinary life, or become an adventurer and seek the extraordinary. When a series of attacks on convoys draws suspicion that Sanctuary is involved, Cyrus Davidon must put aside his personal struggles and try to find the raiders. As the attacks worsen, Cyrus and his comrades find themselves abandoned by their allies, surrounded by enemies, facing the end of Sanctuary and a war that will consume their world.
