ThrillingVon D. RafaelGreat compelling story, really enthralling. I read it in one go...I really hope, it is NOT the final book about Tina and Luke (and Ria 2?)

Kurzbeschreibung In the final part of Stephen Massies When Dreams Converge trilogy, Luke and Tina try to clear their names for murders they did not commit, but they become caught up in power struggle between an Asian Dictator, a Western Media Mogul and the combined forces of the Syndicate. They have the tools to expose the truth, but can they reach the United Nations in time and alive?
