Malcolm on the other side is taking care of his sister who isn't fond of

him having a human mate. She wants her brother to put all of his energy on finding Marcus, her sick brother. Kurzbeschreibung Karyn Simmons and Malcolm Knight are destined for each other, or so their shared dreams of lovemaking tell them. But while Malcolm has no problem accepting fate, Karyn does. She's had far too much heartbreak in the past to just blindly trust a dream. And she may be right not to... Even though Malcolm sees her as his one true love, he is hiding a few things from her that threaten their chance at happiness. He is a vampire, and the brother of a deranged killer. Will Karyn reject him, or will her desire turn into love as well? This is not your typical vampire romance. K Lynne Duvall's story turns these mythological beings from dark, savage monsters into creatures more human and real. The drama amongst all the characters keeps you engaged and wondering what will happen next. The passion will have you begging for more. Parental discretion is advised: This book contains graphic description of sexual activity and violence.
