und ich habe dieses Buch innerhalb von 2 Tagen verschlungen. Lesen empfohlen! Nachdem Rafe seine Frau und seine beiden Kinder durch einen Unfall verloren hat, ist nichts mehr wie es war. Er gibt sich die Schuld am Unfall und verlässt sein altes Leben, zieht rastlos durch die Gegend, hat alle Brücken zu seinem früheren Leben abgebrochen. Maggie ist ebenfalls auf der Flucht und bei ihr ist ihr erst vier Wochen altes Baby. Das Schicksal bringt Rafe und Maggie zusammen als sie sich in einem Güterzug versteckt, in dem auch Rafe als blinder Passagier unterwegs ist. Mittellos und mit einem hungrigen Baby weiß Maggie nicht wie es weitergehen soll. Rafe wird zu ihrem Beschützer und Retter in der Not. Rafe verliebt sich in die junge Frau aber Maggie blockt ab. Aber wie es sich für eine schöne Liebesgeschichte gehört, Happy End garantiert! 3 von 3 Kunden fanden die folgende Rezension hilfreich. Baby Love Von Ein Kunde Baby Love was heart warming, intense, romantic and so much more. This story is about a woman who had a hard life. Bruised badly Maggie runs away from her life, with her only care in the world, *her baby*. Maggie finds her guardian angel... drunken, filthy, not having much luck in his own life, and yet very rich, Rafe Kendrick takes Maggie under his wing and teaches Maggie the good side of life. Baby Love could be the next Cinderella Story... This book tells a story of rags to riches but for Maggie a new look at what love can really be like. I would recommend this book to any dreamer of love. Its a true romance! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Love found in an unexpected place Von Bonnie Gilbert When Rafe Kendrick first sees Maggie Stanley he is riding the rail cars, drinking his life away. Maggie is running away with her newborn baby, trying to keep warm. Rafe comes to her assistance and realizing that she is in trouble offers her warmth and comfort. Maggie is running away from her ruthless step-father, Rafe is running away from his life after his wife and children are killed in a car accident. Fate brought them together that cold night on the rail car and love will keep them together. In order to keep Maggie's step-father from taking her child, Rafe marries Maggie and claims her son as his own. Rafe immediately falls in love, Maggie is standoffish, thinking this is too good to be true. As it turns out, Rafe is a multi-millionaire rancher from Oregon and offers Maggie the good life. Catherine Anderson writes a good contemporary romance but my only complaint is that she always writes about women who rely on the man to come to their rescue. The hero doesn't need to be a millionaire in order to protect the woman, but I see this over and over again (not only in Catherine Anderson's books but others). I forgive writers for this, but we need stronger heroines.

Kurzbeschreibung Desperate and determined, Maggie Stanley grabs her small baby and runs into the snowy Idaho night. In her loneliest, blackest hour, she unexpectedly finds a warmth and comfort she has never known in the tender compassion of a handsome, down-and-out stranger. In Rafe Kendrick, Maggie recognizes a soul wounded like her own though she knows she must never trust any man ever again. Rafe is more than he seems an enigmatic man of secrets who could give Maggie the moon, had he not vowed to spend his life alone. But sometimes love's flames can transform a cold world into paradise and a man who's lost nearly everything, a woman who's forgotten how to dream, and the helpless child who needs them both can become that most wondrous creation: a family. **deSetting:** Contemporary Idaho and Oregon **Sensuality Rating:** 6 Bestselling author Catherine Anderson captivates readers with her tale of a desperate young mother, her newborn son, and the rundown drifter who rescues them one bitterly cold night. Little does Rafe Kendrick suspect that his long-frozen heart will crack wide open when he offers the warmth of his coat to a desperate runaway and her hungry baby. Maggie Stanley has little reason to trust any man, much less Rafe, the drunken cowboy she meets hitching a ride in a boxcar. But when he puts his own life in danger to protect Maggie and her baby, Jaimie, from the lowlifes sharing their railroad car, she's forced to place her battered body and equally battered heart into Rafe's hands for safekeeping. Bound together by circumstance, the two zealously guard their secrets until love permits Rafe to let go of the tragic deaths of his wife and child that sent him running from his former life as a successful rancher. And Rafe's gentle and loving care of Jaimie allows Maggie to see that here is finally a man willing and able to protect her from the harsh realities around every corner. Full of gut-wrenching emotion and plenty of human drama, Catherine Anderson's *Baby Love* shouldn't be missed. --Alison **Trinkle.comSetting:** Contemporary Idaho and Oregon **Sensuality Rating:** 6 Bestselling author Catherine Anderson captivates readers with her tale of a desperate young mother, her newborn son, and the rundown drifter who rescues them one bitterly cold night.
