Kurzbeschreibung Jake Hawkins had returned to town to face his past and had come face-to-face with a nine-month-old daughter he'd never known about. Now he wanted the best for Daddy's little darling. And that meant his baby girl needed a full-time father and mother. Ali Pierce had always loved Jake, but as the mother of his child, she was afraid to trust Jake's love for her. After all, they'd spent only one night together, one unforgettable night. So how could Ali trust Jake's proposal?
