Wundervoll Von UihUij Echt ein tolles Buch mit vielen spannenden Ereignissen! Es wird nicht langweilig und ist toll geschrieben! Ist ein abgeschlossenes Buch!!

Kurzbeschreibung In small Texas towns, strangers come and go... Left in a Stetson hat, on the steps of the local bed and breakfast, Avery Callimer came into the world on a wing and a prayer. Raised by loving adoptive parents, shes never lacked for love ... only the knowledge of her past. By day she works at the inn, but by night ... Avery comes alive as lead singer in a band. Life was good ... stable, until new guests blew into town. Some strangers come with secrets and lies. Lucas Bennett is one such stranger. Drifting from one mess to another has left him jaded. Doesnt matter the dramas are never his doing. Giving it one last shot to make a fresh start lands him Harmonys Echo, Texas and smack dab in front of the tantalizing Avery. Despite his best efforts to ignore the burn Averys ignited within, hes intent to keep his distance. Secrets have followed him. Secrets he doesnt want Avery to know. Each time theyre near the other, things heat up like a brushfire on a dry Texas prairie. But maybe, after the dust settles and the smoke clears, love can bloom with a fresh start.
