delightful readVon Ein KundeI really enjoyed this story. I love the author's voice and style; her way of looking at things is so fresh. This is one of the traditional plots I love, but the author also found endless ways to put in new twists.

Her characters are so honest and natural. I can't wait for her next book.0 von 0 Kunden fanden die folgende Rezension hilfreich. A real page turner! Von Ein Kunde I love modern day Cinderella stories like this. The author has created absolutely believable characters and a wonderful love story plot. Her writing is seamless and unique that you hate to put the book down even when you reach the end.
