Von Harlan Coben : Back Spin: A Myron Bolitar Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Back Spin: A Myron Bolitar Novel:

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Cobens Rules!Von Ein KundePlease order all of Harlan Coben's Myron Bolitar novels at once. Not only will you read about

the world's most honorable sports agent Myron Bolitar but you get a murder mystery to follow as well as some memorable characters to cheer for. The mysteries are excellently written, hilarious and fast-paced. Once I started reading the book, it is hard to put it down, so I didn't, I finished it the day I received, as I did with the previous Bolitar novels. What draws me to this series is Myron's interactions with the people closest to him - his girlfriend, his parents, his assistant/partner(?) Esperanza and last but not least Win Lockwood - psycho-yuppie. I can only read books in the mystery genre and this is one of the best series ever. To all you potential Cobenatics - order all Bolitar novels at once! Please note that you can reserve the new novel - The Final Detail before its release in June. Hurry - catch up with Myron, Win (my favorite) and crew before the June deadline.3 von 3 Kunden fanden die folgende Rezension hilfreich. Coben=Bolitar=ExcellentVon bobbewigWith Back Spin Coben scores another solid hit. Its plot is very fast-paced, the dialogue is crisp, the characters are well-developed, the humor is well-integrated within the non-stop suspense, and you'll be guessing "who-done-it" right up until the end. Could you ask for anything more in a mystery? This is definitely enough for me and I think you'll be more than satisfied as well. If this will be your first Simon Bolitar book by Coben, you're in for a treat. If you've read other Coben books you KNOW you're in for a treat with Back Spin. Enjoy!1 von 1 Kunden fanden die folgende Rezension hilfreich. Back Spin scores a hole in one.Von Ein KundeIn Back Spin, Harlan Coben not only manages to provide a glimpse into the psyche of a champion (whatever their field of expertise), but weaves together a chilling tale of kidnapping, family secrets, and the beauty and eccentricity which is golf.While Myron Bolitar, sports rep and rival of Henny Youngman for king of the one-liners, attempts to enter the world of professional golfing at the US Open, he is more than a little side-tracked by frantically working to find the missing son of the leader of that prestigious event.This is a story of violence, in the graphic, physical sense and also in terms of betrayal; particularly the pain that family members can inflict upon one another.Back Spin also moves us along in our understanding of Myron, Esperanza and especially the charming, but lethal Win. For those already acquainted with those characters (in every sense of the word!), Back Spin is a "must read."For those not yet acquainted with this trio, or the author, you can look forward to a great story, with more twists and turns than the golf hole of your worst nightmares, and more empathy and eloquence than all the jokes and snappy come-backs might lead you to expect.Whatever the author's golf handicap may be, with this latest addition to the Myron Bolitar series, Harlan Coben shows he definitely qualifies as a Master of his craft

KurzbeschreibungKidnappers have snatched the teenage son of super-star golfer Linda Coldren and her husband, Jack, an aging pro, at the height of the U.S. Open. To help get the boy back, sports agent Myron Bolitar goes charging after clues and suspects from the Main Line mansions to a downtown cheaters' motel--and back in time to a U.S. Open twenty-three years ago, when Jack Coldren should have won, but didn't. Suddenly Myron finds him self surrounded by blue bloods, criminals, and liars. And as one family's darkest secrets explode into murder, Myron finds out just how rough this game can get.In novels that crackle with wit and suspense, Edgar Award winner Harlan Coben has created one of the most fascinating and complex heroes in suspense fiction--Myron Bolitar--a hotheaded, tenderhearted sports agent who grows more and more engaging and unpredictable with each page-turning appearance.From the Paperback edition.Pressestimmen"Another winner...Pungent observations, indelibly drawn characters and a twisting, surprise-laden plot."Atlanta Journal and Constitution"Sharp plotting and emotional density, as well as nonstop wisecracks."Publishers WeeklyWerbetextThe search for a missing boy gives Myron Bolitar far more than he bargained for...From the bestselling author of SIX YEARS.
