Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. FINALLY back on St. Barts! I missed Sunny Sven! 5 STARS!!! Von Bianca @BJSBBAfter all the excitement of the

last book, Sunny Sven are now happily living in Los Angeles. Only it's not really all that happy. Yes, they love each other and the sex is amazing, and even though for the first time in her life, Sunny found some friends her own age... Sunny is lonely and alone. Sven is gone all day, working on a new movie, and Sunny is doing everything she can to turn his old apartment into a new home. Plus, suddenly Hollywood thinks she and Sven are the new IT couple, and Sunny has to attend a million events and she has to hire a stylist and dress up all the time. And there are Papparazzi everywhere.... Sven might be used to that Hollywood stuff... but Sunny... she'd rather run around in shorts at home on St. Barts. But she loves Sven and she wants to make this work, she wants to start a future ... full of love and babies and happiness. Will Sunny Sven make it? Will they get their HEA? Or will Hollywood destroy their young love? Will Sunny go back to St. Barts alone? Will there be a Cliffhanger???? NOPE - not telling you - #NoSpoilers

Ugh - I loooved those 2 new books. Finally back on beautiful St. Barts with Sunny Sven and all the other adorable co-stars. I'm sooo in love with the whole atmosphere of the books - being in St. Barts must be soo amazing. I can almost see and feel and smell the beauty of the island. But we start in LA first... I'm a huge California fan too Who I wasn't a fan of, was SVEN!!!! Ugh, that idiot - I could've killed him in the first half of book #3 and poor Sunny is so understanding and grown-up about it all. I really love her. But of course we love Sven too... he just has LOTS of growing up to do until he can get his HEA with the love of his life. I don't want to write too much - you don't want to be spoiled Just know that I LOVE this series. Sunny is such an amazing character! And Sven.... so adorable and kind of totally lost without his Sunny This is such a beautiful series. An amazingly different kind of love story, with amazing characters, set on the beautiful Island of St. Barts. Please go and buy the books - you won't regret it - you will fall in love with Sunny, Sven + St. Barts just like I did! Can somebody please call Hollywood - I would LOVE to have a TV Show about Sunny Sven and all the other Islanders!!!!
