LovelyVon QuerleserNice short story with lovely protagonists and funny dialogues. And of course a sweet happy end. A trademark Megan Derr story.

KurzbeschreibungSkylar is used to the way people think of him as frightening, mean, and dangerous. Snakes are not the most popular shifters around and the fact he grew up wild doesn't help. He knows the way he's chosen to live alone in the woods only makes things worse, but he didn't think it meant people thought him capable of killing a couple of wolf puppies. Determined to find the real monster who left them to die, Skylar calls up the only wolf he knows, a man he always wished would see him as more than a snake KurzbeschreibungSkylar is used to the way people think of him as frightening, mean, and dangerous.
