Von Victoria Dahl : Bad Boys Do: Bonus Novella Just One Taste before purchasing it in order to gage whether or not it would be worth my time, and all praised Bad Boys Do: Bonus Novella Just One Taste:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. All thumbs upVon SusiSunshineMy expectations for Bad Boys Do were pretty high after I finished Good Girls Don't, book 1 in Dahl's new Donovan Brothers Brewery series. Jamie already caught my attention in the first instalment but

oh my did I judge him wrong. I expected a fun and flirty guy with tons of experience and even though I knew he wanted to be seen as more I didn't expect such a deep and emotional plot wrapped around him as a character. Jamie was always the black sheep of the Donovan family. He loved to party a lot in his youth and since then he doesn't seem to be able to get rid of his reputation. Well, working as the flirty and fun bartender in a brewery doesn't help his need to be seen as more- as a responsible and mature owner of said brewery. Yes, Jamie is fun and really knows how to keep people at ease but still he is a person who wants to be acknowledged for his worth. He's smart, clever and full of ideas but with the incidents of the past few months hanging over his head he has a hard time being taken serious. He wants to make the bar into something more and he works hard to develop a reasonable and realistic plan but is scared of being taken down by his brother again before he even gets the chance to say more than a sentence. I loved Jamie and not only for his open and fun behavior. There is so much hidden depth beneath this- so much emotion, doubt and uncertainty. Most of the time I just wanted to hug him and tell him that everything will work out. My heart broke for him and the unfairness he has to live through. Olivia is exactly what Jamie needs. Not only is she definitely serious and proper- she's also fun when you get the chance to see under her armor. Her life taught her that she needs to do more for herself. Her ex husband always demanded to be the center of her existence and now after the divorce she wants to be the focus of her own life- to do what she wants and reach her own goals. She wants to learn how to be more fun and finally enjoy life. But how do you learn that on your own? Well, let's say she really got lucky in meeting Jamie because he knows how fun is done. *wink* Olivia is conflicted: on one hand she knows what she tries to achieve is okay but on the other she easily gets sidetracked by what other people think of her. She is confident on the outside but she often doubts herself when no one else can see. Watching her rediscovering her confidence wasn't only fun it also showed that even when something screwed your life over you can still turn yourself and your life around and make it what you want it to be. A great message to deliver in such an entertaining package. I loved this book so much- it's hard to put in words why but after I read the last word I felt like hugging everyone around me. Not because Bad Boys Do made me sad. No, I wanted to show the people I love how much I love them. I wanted to wallow in warmth, friendship and love and not waste any time to do it. Well okay that sounds totally sappy but it's what this book did to me. It is an unbelievably fun read and still delivers an emotional intensity I didn't expect. I loved the main characters, the side cast and how everyone interacted. It's a group of people who feels real. Okay I admit I'm still unsure how Dahl will make me like Eric but we will see. Bad Boys Do touched my heart on so many levels. I laughed a lot, I cried a bit and in the end I nearly burst with happiness. I loved every second of reading this book and it makes me beg for more. Bad Boys Do isn't only entertaining it also delivers a message worth more than I could ever say- you can get back up and do what you want for yourself, no matter what happened before. No wonder that this book is my absolute favorite in this series so far. For me this is a must read you shouldn't miss. Bad Boys Do gets an all thumbs up from me and I would add even more if I could. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I want too!!! Von Linda Ok da andere schon die komplette Handlung des Buches beschrieben haben, werde ich sie nicht noch einmal durchkauen!! Ich schreibe nur wie es mir gefallen hat. Ich muss gestehen das es mein erstes Buch von Victoria Dahl ist und ich ziemlich skeptisch bin wenn ich etwas von neuen Autoren in englisch lese, aber ich wurde nicht enttäuscht!! "Bad Boys Do" ist einfach der Hammer und ich kann es kaum erwarten noch andere Bücher der Autorin zu lesen. Das Buch liest sich sehr flüssig und auch Leute die nur mittelmäßig englisch sprechen/verstehen werden es sehr gut verstehen. Schon die ersten 50 Seiten haben mich in ihren Bann gezogen, da die Hauptfiguren einfach nur toll ausgearbeitet wurden. Aber kommen wir nun zum positiven und negativen: Jamie muss man einfach nur lieben, er war schon immer das schwarze Schaf der Familie, aber zeigt uns das so viel mehr in ihm steckt als alle anderen glauben. Besonders wenn er immer mit seinem Bruder Eric aneinander geraten ist hat er mir sehr Leid getan und das kam oft vor, denn sobald er und Eric im Buch aufeinander treffen streiten sie sich!! Eric sieht immer nur was Jamie falsch macht und lässt kein gutes Haar an ihm, wodurch er mir sehr unsympathisch ist. Ich meine er versucht nicht mal Jamie richtig zu verstehen und macht alles was er tut schlecht. Seine Schwester Tessa ist auch keine wirklich Hilfe, da sie zwar versucht zwischen den Brüdern zu vermitteln, aber das war es dann auch, auch macht sie es meist nur schlimmer!! Schade finde ich das Jamie in diesem Buch sein dunkelstes Geheimnis seinen Geschwistern noch nicht mitgeteilt hat denn ich hätte gern erfahren wie sie reagieren. Olivia mochte ich anfangs sehr gerne, aber je mehr ich gelesen habe um so schlimmer wurde sie!! Es geht nachher nur noch darum das sie Spaß haben will und selber beim Sex Spaß vermitteln will und noch mehr Spaß.... Also für ihre 35 Jahre hat sie sich teilweise wie eine unreife 17-jährige benommen. Ich hab mir sogar teilweise gewünscht das ihre Freundin Gwen die Hauptperson wäre, sie war nicht so steif wie Olivia die meiner Meinung nach besser zu ihrem Ex gepasst hat als zu Jamie!! Auch sie hat Jamie oft verurteilt und ihm nicht geglaubt wenn er versucht hat zu sagen/zeigen das er nicht so schlecht ist wie andere sagen!! Selbst am Ende hat sie noch an ihm gezweifelt, wodurch sie mir vollends unsympathisch wurde. Alles in allem hat das Buch seine vollen 5 Sterne verdient, da die Handlung einfach großartig ist, der Preis auch gerecht ist und alle Figuren sehr ausgearbeitet sind. Schon die ersten Seiten quillen nur so vor Humor über!! Das Buch verführt einen zum Lachen, aber auch zum Weinen!! Von mir aus hätte auch nur Jamie im Buch vorkommen können und ich hätte trotzdem 5 Sterne gegeben, da seine Figur einfach nur unschlagbar ist, seine grünen Augen bringen alles zum Schmelzen. Ich würde gern wissen wie es mit Jamie und Eric weitergeht, aber ich werde mir leider den 3. Teil "Real Men Will" nicht kaufen, da es Eric's Geschichte ist und er mir in diesem Band so

unsympathisch geworden ist!! Also kauft "Bad Boys Do", da es 100%ig sein Geld wert ist.

KurzbeschreibungA taboo affair with a younger man comes with its own set of perksand complicationsin this fan-favorite story from USA TODAY bestselling author Victoria Dahl Olivia Bishop is no fun. That's what her ex-husband said. And that's what her smart bob and glasses imply. So with her trademark determination, Olivia sets out to remake her life. She's going to spend time with her girlfriends and not throw it all away on some man. But when an outing with her book club leads her to a brewery taproom, the dark-haired beauty realizes that troublein the form of sexy Jamie Donovanmay be too tempting to avoid. Jamie Donovan doesn't mean to be bad. Sure, the wild streak in his wicked green eyes has lured the ladies before. Now it's time to grow up. He's even ready for a serious romance. But how can that be when Olivia, the only right woman he has ever met, already has him pegged as wrong? Book 2 of Donovan Brothers. A sexy contemporary romance.Pressestimmen"Dahl smartly wraps up a winning tale full of endearing oddballs, light mustery and plenty of innuendo and passion." -Publishers Weekly on Talk Me Down"Dahl smartly wraps up a winning tale full of endearing oddballs, light mustery and plenty of innuendo and passion." - Publishers Weekly on Talk Me Down"Sparkling, special and oh so sexy-Victoria Dahl is a special treat!" -New York Times bestselling author Carly Phillips on Talk Me Down"Sassy and smokingly sexy, Talk Me Down is one delicious joyride of a book."-New York Times bestselling author Connie Brockway"[A] hands-down winner, a sensual story filled with memorable characters."-Booklist on Start Me UpKurzbeschreibungA taboo affair with a younger man comes with its own set of perksand complicationsin this fan-favorite story from USA TODAY bestselling author Victoria Dahl Olivia Bishop is no fun.
