SPINE-CHILLING ROMANTIC SUSPENSEFUL STORY. This story focuses on; Ari, a bold sassy green-eyed beauty, ex US Marine, covert operative for The Firm, and Jaguar shifter; Dutch, a strapping, head-turning gorgeous, powerful sniper for Squad 6 and Jaguar shifter. What you'll find in this story; a cast of remarkably impressive and engaging characters, fantastic story-line, dynamic vivid scene descriptions, phenomenal banter, action packed, gripping suspense, horrific danger, life threatening incidents, gut-wrenching moments, camaraderie, family love, emotions spiral, skyrocketing toe-curling sensual romance, and a melt your heart conclusion leaving you wanting more. Ari and Dutch have not seen each other since their one night together. Quitting the firm, moving to Detroit and keeping her secret from Dutch has her believing that she has done the right thing. Dutch misses Ari, has searched for her finding no clue where she is. When Dutch finds out that Carter, the boy he has sworn to look out for and protect is missing he asks for a leave of absence from the Squad to search for him. Dutch learns that Carter is now working for the Firm and has been not been in contact with them. Ari has been asked back to the Firm to finish the job that was lost out in the jungle. She is thrown together with Dutch, Squad Six and her own Squad on a highly dangerous mission to find Carter and end the drug smuggling, but something far worse than drugs lurks in the shadows leaving the Squads fighting for their lives. WOW-SPECTACULAR well written creative read by a truly gifted author. Could not put this book down, as it had my full attention from beginning to end, a most entertaining read and I loved it. The interaction between the characters is believable as they spring to life with the fabulous dialogue, thrilling action, and powerful scene descriptions. The romance between Dutch and Ari sizzles with some very tense moments. If you treasure shifter stories with gripping suspense and romance that sizzles, this is a terrific book for your library. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.
