Leonard Novel (4) (Hap and Leonard Series) (English Edition):

Kurzbeschreibung Hap and Leonard is now a Sundance TV series. With his trademark knack for gut-busting laughter and head-splitting action, Joe R. Lansdale serves up a bubbling cauldron of murder and mayhem that only he could create. Hap Collins has just returned home from a gig working on an off shore oil rig. With a new perspective on life, Hap wants to change the way he's living, and shoot the straight and narrow. That is until the man who stole Leonard Pine's boyfriend turns up headless in a ditch and Leonard gets fingered for the murder. Hap vows to clear Leonard's name, but things only get more complicated when Leonard's ex shows up dead. To the police it is just a matter of gay-biker infighting, but to Hap and Leonard murder is always serious business, and these hit a little to close to home. From the Trade Paperback edition. deFast-paced, raunchy and fun, Bad Chili is the fourth book by Joe R Lansdale to feature the incorrigible East Texan duo of modern crime fiction, Hap Collins and Leonard Pine. The trouble, and there's always a ton of it, begins when Hap rolls back into town only to be attacked by a rabid squirrel--and everything goes downhill from there. Leonard's ex-lover, Raul, is murdered and when the bigoted police squad shows no sign of bringing the murderer to justice, Leonard decides to take matters into his own hands--Ain't no one gonna do much about this shit. Couple queers aced is almost good business far as the chief's concerned...They don't make it their business, then I got to make it my business. Easier said than done, for each stone that Hap and Leonard overturn in their pursuit of Raul's murderer reveals a confusing array of illegal dealings, thugs and mysterious videotapes. But the duo's irreverent humour and witty repartee never falters and it is this hilarious dialogue, combined with fast-action adventure, that is winning Lansdale fans the world over. --Shannon Bingham.co.ukFast-paced, raunchy and fun, Bad Chili is the fourth book by Joe R Lansdale to feature the incorrigible East Texan duo of modern crime fiction, Hap Collins and Leonard Pine.
