recension i wanted to give this book a try. I was downloading this book for free and didnt have any expectations. I must say it made my weekend. Chloe returns to home after 7 years absence to attend the funeral of her father, who got murdered. Soon she find herself involved with her old high school sweetheart who is now sheriff of the village. Chloe wants to know who murdered her father and tries to find out by herself....Of course some things are a bit too much: every guy in the village is interessted in chloe and totally in love with her. But isnt that the purpose of a good lovestory that it is a little extreme and unrealistic?I will give this book and its Author 5 Stars! I would read this book again and i would read an other book written byJ.D. Faver

Kurzbeschreibung5\*\*\*\*\* ~ The suspense story line was perfectly done. I never knew from one moment to another how the story was going to turn. It kept me guessing and COMPLETELY involved with the story. It was ALL so good...both the romance and the suspense. It was just a superbly written book. I stayed on the edge of my seat and with my nose buried in the book until I got it finished...and then I was sad that it was over.Description:Youre too stupid to live, Rafael Solis! Chloe Palmers words still echoed in Rafaels memory. The last words she said before she shot him and left townUnable to escape her past, Chloe returns to the Texas coast for her murdered fathers funeral and to face Rafael, the man she left behind. Rafael never gave up her. Rafaels passion breaks down her emotional barriers, but her impetuous nature draws her into a cruel vortex where she runs afoul of old and new enemies. Previous rivalries emerge, pitting Rafael against the heir-apparent to a crime dynasty. With the body count rising, Rafael and Chloe battle an infatuated but vicious drug lord, kidnappers, and a twisted curandero (Mexican healer). Will they survive the violence and be able to forge a life together?THE EDGE OF TEXAS Series:Book 1-BAD MEDICINEBook 2-BAD KARMABook 3-BAD VIBESBook 4-BAD DREAMS Book 5-A SANDCASTLE
