good guys and hilarious badies. Brilliant! Von Kindle-Kunde Recommended for anyone who likes heists which go amusingly wrong. Very well written with extremely sympathetic characters and a revolting bald monkey. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Boring Von Spicer On the one hand this is more polished, less "over the top" than recent Hiaasen books. On the other hand that's precisely the problem: it can't decide whether it's comedy or crime novel. As a result the jokes are lame and the plot isn't engrossing enough to justify this - by Hiaasen standards - long read. I found I didn't care enough about the characters. It just became a long, rambling, in-love-with-its-own-cleverness, dispensable read. I abandoned it about 80% through, angry with myself for not dropping it much sooner. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Schrg und amsant Von Maja Strub Wie man es bei Hiaasen erwartet, berteibt er fter. Das macht aber auch einen grossen Teil des Reizes seiner Bcher aus, gerade auch, weil er weder sich noch seine Figuren und Bcher allzu ernst nimmt. Deswegen amsiert man sich auch ganz unbekmmert. Ganz herrlich: die "Roach Patrol"! Auch gut: Charaktere in Grau-Tnen, nicht in simplifizierendem schwarz-weiss. Gut zur Entspannung, schft wohl auch meinen Blick bei den nchsten Restaurantbesuchen. Und der Affe? Ich htte so ein Tier eingeschlft!

Kurzbeschreibung When a severed arm is discovered by a couple on honeymoon in the Florida Keys, former police detective - now reluctant restaurant inspector - Andrew Yancy senses that something doesn't add up. Determined to get his badge back, he undertakes an unofficial investigation of his own. Andrew's search for the truth takes him to the Bahamas, where a local man, with the help of a very bad monkey (who allegedly worked on the Pirates of the Caribbean movies) is doing everything in his power to prevent a developer from building a new tourist resort on the island, with deadly consequences . . . Outrageous, hilarious and addictive, this is the unique Carl Hiaasen at his absolute best. Bad Monkey will have you on the edge of your seat and laughing out loud. Pressestimmen "[A] comedic marvel . . . [Hiaasen] hasn't written a novel this funny since Skinny Dip. . . . Beautifully constructed." Janet Maslin, The New York Times "[A] deliciously zany romp. Buckle up for the ride." People "Bad Monkey boils over with corruption and comeuppance. And yes, there's a monkey." O, The Oprah Magazine "[A] rollicking misadventure in the colorful annals of greed and corruption in South Florida. . . . Hiaasen has a peculiar genius for inventing grotesque creatures . . . that spring from the darkest impulses of the id. But he also writes great heroes." Marilyn Stasio, The New York Times "This 'Triple-F'-fierce, funny, and Floridian . . . unfolds corruption, greed, mayhem, and very funny social satire in the way that only Hiaasen does it."
