Tarker's Hollow and Copper CreekVon Ingrid Stephanie Jordan5 Stars Title: BAIT THIS300 Moons BookAuthor: Tasha BlackReviewer: Stephanie Jordan#Paranormal #BearShifter #WitchesI swear every book this lady writes is just another block buster. Ms. Black has the Golden touch read this and you'll know why I say it. Your always in the edge

of your seat knowing you need to do something but hey its a good part and you sit back down before you know it you've sat down dozens of times, every part is a good part. So YES!!!I recommend this book it's phenomenal, besides we get to visit Tarker's Hollow.Kate Harkness owns Harkness Farms and is a very special Mom, see she takes in children shifters the ones that parents didn't want. It didn't matter what kind of shifter you were, she took them in. All the children who came would have chores around the farm and play oh and disciplined too, Kate Harkness was there mom now. Every time a child came so did Gloria Cortez who would sing whispering a song to them, than hand them back to Kate saying "300 Moons".Derek Harkness is CEO of his own business which he made quite a penny on, plus he was a Bear Shifter. Derek's bear has always been uncontrollable so he cages him in his mind making him stay back, sometimes he peeks his nose out which has benefited Derek many times. At the end of the week he's going back to the farm, Mom had called reminding him he had to be there. Because he forgot he hired a plane to take him, hitting a storm Derek's plane was going down!!Hedda Lane always lived on the mountain next to the mining town Copper Creek with her sisters to help watch the portal that evil didn't come through, the kids in town called them The Witches of Copper Creek. Thansomething happened to the mine which is still burning, since there was no work, everyone left now it is a ghost town. Hedda and her sister are taking turns to make sure the portal was sealed and no one comes through. Hedda took the 1st year watch, while she was patrolling the mountainshe hears a huge noise like an explosion. When she got to the sight in the woods she couldnt believe what she saw. I was gifted this ARC for an honest and truthful review.
