The difficulties of Undead and other "People" Von Gassy This is a quite extraordinary Fantasy story. All your favorite characters appear. You get angels, demons, vampires and some other folk. Namely a dioscuris, but you have to find

out for yourself, what that is all about. The grail (yes!) is involved. But take heart, it's definitely not Dan Brown. What to expect? A wild rollercoaster ride from NYC to purgatory and back, fights between angels and demons, action and philosophy. Every word handwritten, so to say. And Mr. Forbes adds a new and fresh perspective to all the vampire-stuff. It's a highly enjoyable, easy to read book. I just couldn't stop reading. So give it a chance and get yourself a copy. Although I'm not a native speaker I could easily follow. The ideal book for your holiday. But don't blame me if you don't have time for other activities for the next two days. 0 von 1 Kunden fanden die folgende Rezension hilfreich. good read! Von Susan Peters I really enjoyed the story! Though the main character gets beaten up a bit too much in the beginning, that doesn't make the read less enjoyable. I liked it that it wasn't all heavy and tough and drama, but a lot of humor was instilled as well. I can not guess how it is for a native speaker, since for me as a non-native speaker - the reading was easy enough. The second book - betrayal - is good as well. And I was really happy to have found the third (last?) book today as well - can't wait to start reading it! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Heaven against Hell on Earth! Great! Von Thorsten Hunsicker You must read the series! This is really good fantasy stuff here.. I really enjoyed seeing heaven against hell on earth... and the characters evolve all the while... really enjoyed this! The main character is stuck in the middle with the power to tip the balance but he doesn't understand what he is capable of yet... coming of age as half demon half angel must be real hard, I guess ;)

Kurzbeschreibung Heaven and Hell are fighting for the fate of billions, and those billions have nobody to fight for them. Until now. My name is Landon Hamilton. Hacker. Identity thief. Ex-con. Okay, I've made a few mistakes, but I'm just a regular guy trying to get by in this crazy world. Except for one thing: I'm already dead. I said this world was crazy, didn't I? You see, I got caught in the middle of the war between good and evil (yeah, it's a real thing), killed and sent on my merry way down. I didn't make it all the way, though. I was intercepted by Dante (yeah, that Dante). It seems he had other things in mind for me. It turns out, my soul is a perfect balance of good and evil, and my ancestry happens to be part of an unholy triumvirate of angel, demon, and human, which apparently is incredibly rare. It turns out, Dante has the power to send me back to the mortal realm, along with some cool magic and instructions on how to use it. Too bad this sexy vampire girl crushed them while I was crushing on her. Oh yeah, it also turns out the Queen of All Demons managed to get her hands on the Holy Grail, and now the only thing standing between her and Armageddon is, well... Me. It's not like it's the end of the world if I fail. Oh. Wait. It is. Balance is the first book in the paranormal and urban fantasy Divine series, and the first novel ever published by M.R. Forbes, the bestselling author of Starship Eternal. If you love rooting for the underdog, vampires, werewolves, angels, demons, action, adventure, humor and a hint of romance, you'll love the Divine series. Pick it up now, and read the series that launched a career. Kurzbeschreibung Heaven and Hell are fighting for the fate of billions, and those billions have nobody to fight for them. Until now.
