Von Ann Lethbridge : Bane Beresford (Mills Boon Historical) (The Cornwall Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bane Beresford (Mills Boon Historical) (The Cornwall Collection):

Earltitels, sein Grossvater aber bezweifelt seine Legitimität. Also arbeitet der bursartige alte Earl of Beresford ein Testament mit Tücken aus. Die ansich unbeteiligte Lehrerin Mary Wilding wird ins Intrigenspiel hineingezogen und gerät in äusserst gefährliche Situationen, weiss bis kurz vor dem Buchende nicht, wem sie wirklich trauen kann. Die Geschichte wirkt ziemlich aufgebauscht und unnötig dramatisch. Ausser von den zwei Hauptpersonen bekommt man nicht viel mit, das die Entwicklung des Plots gegend erklären würde. Die Hintergründe von Bane und Mary werden zu wenig ausgeleuchtet, sind wenig nachvollziehbar. Mittelmässig.

Kurzbeschreibung From wild and rugged Cornwall, the setting of Poldark and Jamaica Inn, comes another fabulous, dramatic story **NO MAN HAS EVER WANTED HER FOR HERSELF** When she arrives at Beresford Abbey, orphan Mary Wilders hopes of finding a place to belong are dashed when she meets Bane Beresford, the enigmatic Earl. He is as remote as the ghosts that supposedly haunt the Abbey and, like its crumbling walls, her dreams fall apart. Occasionally she sees a different, more caring man behind the facade, so is she foolish to long for a happy home and a family? His proposal is for a marriage of convenience, but his touch has awakened within her a fervent and forbidden longing **Original Title - Haunted by the Earl's Touch THE CORNWALL COLLECTION** Four wonderful atmospheric historical romances - perfect for fans of Winston Graham's Ross Poldark and Demelza, and Daphne Du Maurier's Rebecca and Jamaica Inn. **LUCIEN TREGELLAS BANE BERESFORD GABRIEL D'ARCY VALERIAN INGLEMOORE** Kurzbeschreibung From wild and rugged Cornwall, the setting of Poldark and Jamaica Inn, comes another fabulous, dramatic story **NO MAN HAS EVER WANTED HER FOR HERSELF** When she arrives at Beresford Abbey, orphan Mary Wilders hopes of finding a place to belong are dashed when she meets Bane Beresford, the enigmatic Earl. She always loved the glamorous, if rather risky, Georgians and in particular the Regency era as drawn by Georgette Heyer. It was that love that prompted her to write her first Regency novel in 2000. She found she enjoyed it so much she just couldn't stop! Ann gave up a career in university administration to focus on her first love, writing novels and lives in Canada with her family.
