Eine gelungene Mischung aus Fantasie und Romanze mit viel Humor!Von LenaRibkaDas Buch ist verrckt, skurill und irgendwie eigenartig! Ich wrde es eher als eine Fantasie- Satire als eine Romanze bezeichnen, obwohl sich die ganze Geschichte mit ganz unerwarteten Wendungen hapschlich um Jenna und ihre Mnner dreht.Bis zum Schluss werden Sie keine Ahnung haben, wie es weiter geht, das garantiere ich Ihnen!Ich habe oft dabei gelacht und fand die Dialogen wie auch die Gedanken von Jenna stellenweise sehr lustig.Alles in allem ist es ein schnes Buch. Ich werde es nicht noch Mal lesen wollen, aber es ist sicherlich lesenswert!0 von 0 Kunden fanden die folgende Rezension hilfreich.

amusing,heartrending,sexyVon Jasmin HenselFinally I managed to finish this book and now it is one of my favourites. This story doesn't get boring at any point and it will make you laugh/almost pee your pants!It is a perfect construct of plot lines which do not reveal any secrets until you reached the right point in the story. Often stories are too obvious but in this one, I never knew what will happen next and the end is really surprising! I just love, love, love that story! Thanks Michelle!

KurzbeschreibungJenna Hudgens has more celebrity crushes and imaginary boyfriends than a crowd of tweens at a Justin Bieber concert. Just walking past the tabloid section of a newsstand produces a reaction likened to that of a contestant on The Price Is Right. As if that wasn't enough, she's happily working for one of the nation's trashiest celebrity gossip blogs. Delusions aside, life will never be perfect until Jenna snags a real-life husband sexy enough to grace the cover of GQ. When she meets Frank Roberts, a badly dressed, paranoid hobo with disgusting facial hair, four-hundred dollar sunglasses, and a major hatred for the paparazzi, she presumes he's far from Sexiest Man of the Year. Or is he? After Frank mysteriously shows up in two places at once, Jenna can't help her curiosity. But is she prepared for what lies beneath his sloppy exterior? Whatever Frank is hiding could change everything Jenna thinks she's been looking for in a man.
