and Burke Von Ingrid Stephanie Jordan 5 Stars Title: Bare Instincts Hidden Hills Shifters Book 2 Author: Vella Day Reviewer: Stephanie Jordan #BearShifter #WolfShifter #CheetahShifter Here is another MUST Read, Hidden Hills Shifters Series is a AWESOME read. I love that how each page just glides right through leaving you bound to this book until you finish. Though it is very emotional because of grief of a death. Tasha Wilder we met in book #1 is a BBW Bear Shifter who is confident with herself, loving to read to the children makes being a librarian even better. Hidden Hills, NC was always so beautiful in the summer. She is also the Alpha's daughter for the Bear Clan. Burke Devereaux came back to Hidden Hills to bury his older brother who OD. The grief he was feeling doubled in size when he watch his mother and father cry. So Burke went to the bar to drown his sorrows. Everything was so confusing on top of that everytime he came close to Tasha his chest would tighten, it couldn't be could it. He felt it before when he was younger but ignored it. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung PUBLISHER'S WARNING: Contains Hot Sex, and is not intended for those under 18. Burke Devereaux's life is turned upside down after receiving news of his brother's death. After years of being gone from Hidden Hills, NC, the guilt-ridden bear shifter returns home for the funeral. Tasha Wilder, an overweight, bear shifter librarian, used to lust after the sexy, high school basketball player back in the day. She never acted on those feelings, knowing full well she'd never want someone as plain as her. Burke is now back and she does her best to keep her animalistic urges hidden by keeping her distance until fate intervenes. Doing her best to offer him only sympathy during an unexpected encounter, her inner beast explodes with unbridled lust and passion. Burke tackles his inner demons and finally accepts that Tasha is his mate, but he hadn't expected her to deny their destiny. What can he do to convince Tasha she's his one and only?
