Von Kim Fox : Bare Knuckle Bear: BBW Paranormal Romance Bear Shifters (Ultimate Shifting Championship Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Bare Knuckle Bear: BBW Paranormal Romance Bear Shifters (Ultimate Shifting Championship

Book 1) (English Edition):

Kurzbeschreibung Bear shifter, Grayson, is thrilled when he walks into Bar Knuckle, the only bar in his new Northern town. Not only is it packed with shifters of all species waiting for their turn to fight in the steel cage but he also hits it off with the curvy, blond waitress in the cowboy hat. Grayson loves to fight and he quickly jumps into the cage for a go after he secures a date with the voluptuous waitress. BBW, Dakota, has been working in boring Laughlin City at the seedy shifter bar getting constantly harassed by Brad, the son of the town boss, for years. But everything is about to change when a sexy new bear shifter named Grayson walks in. He's tough and hot and he is nothing but trouble. Grayson defeats Brad in the shifter fighting cage and his father, a powerful rhino shifter and the company boss, takes it very personally. Now Grayson will have to fight for something besides just fun. He will have to fight for his life...and for Dakota's. This fun paranormal romance has absolutely No Cliffhanger. This bear shifter and his BBW get a HEA. Standalone.
