Mmmmmmmmmmn Your BeardVon Ingrid Stephanie Jordan4 Stars Title: Bare Knuckle Black Bear Book 3Ultimate Shifter Championship Series Author: Kim FoxReviewer: Stephanie Jordan#Paranormal #Shifters #CageFightingAnother GREAT BOOK from Ms. Fox, I remember reading the first book, thinking I'm not into Cage fighting the blood and gore. Nope not for me, was I wrong looky at me now I'm on Book 3 and I loving it.As we read in our last book was the big fightat the Bare Knuckle Bar in a small Canadian Lumber Town of with many different animal Shifters. Than the fight got out of hand and Walter Cash owner of the logging mill died.Skyler Cash came back to the town where she was raised, only to bury her father and take care of some business, yep she owed it to Pappy (her Grandfather) who was the only person who ever loved her, like Walter her grandfather was the last of the Rhino Shifters.When Jack first set eyes on Skyler he knewhe was in trouble, than when all his friends looked at him they knew trouble was coming around the corner. I was gifted this ARC for an honest and truthful review.

KurzbeschreibungSkyler Cash is back in Laughlin City, the place that she swore she would never return to, and she has her hands full. She is a female human in a town full of male shifters, her brother is trying to steal the family logging company from her and a hot rugged werebear has inexplicably bonded to her. The smart move would be to return to her comfortable life in New York City but she feels that she owes it to someone to stay.Jack Jones is in love. His black bear has bonded with the sexy new human in town, which makes him, and his friends, targets from her multiple enemies. But what is a bear shifter do? Walk away from his mate? Well that ain't going to happen.When the new town boss, and Skyler's brother, Brad decides that he wants Skyler out of Laughlin City there is only one shifter who can step in and help her out. But Jack may lose everything for his mate, his friends and for himself when he has to step in the cage and face an opponent who will fight dirty and do whatever it takes to win the company and send Skyler away for good.No Cliffhanger. HEA. Includes graphic sex and violence. KurzbeschreibungSkyler Cash is back in Laughlin City, the place that she swore she would never return to, and she has her hands full.
