Mannerliebe pur Von herthanerin86 Die Story ist wirklich hei und man kann wirklich sagen, so richtig romantisch oder kitschig wird es hier nicht. Allerdings ist das auch gut so, denn das wrde vllig fehl am Platze wirken. Die Charaktere sind auch mal etwas anderes, nicht wirklich klischeehaft und an jeder Ecke wartet wieder eine berraschung auf den Leser. Sehr zu empfehlen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another book for the not chicken-hearted Von E.T. Illegal cage fighting and cheating, Jason, a MMA fighter would do everything to earn money and to hide the reason why. I like the protagonists of these books. They are no knights in shining armour, no heros, they try to survive. And they do it hard and tough and sometimes someone gets hurt. If you can't stand that, it's no book for you, but to everybody else, K. A. Merikan writes tough books for tough fans - enjoy. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very brutal Von CustomerHmmm I was shocked at first but then it was kinda sexy those two sexy man and Jason being insecure and everything... I kinda thought hyde would remember Jason but not telling him in purpose but it wasn't like that...
