Von Roxanne St. Claire : Barefoot in White (Barefoot Bay Brides Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Barefoot in White (Barefoot Bay Brides Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice story, nice readVon Hoener, Birgit"Willow Ambrose has fought a battle with the scale for much of her life, but she has finally won the war. She hasnt just cut calories -- shes cut all ties to her past, too, and successfully carved out a new

body and a new life. But when she comes face to face with someone who left an indelible mark on her heart years before, all that threatens to crumble. Navy SEAL Nick Hershey is on medical leave, doing a friend a favor as a stand in man of honor at a beach wedding. He might not be that interested in the nuptials, but the wedding planner catches his eye the minute they meet. When he realizes Willow is a girl he knew in college -- and a girl he unintentionally hurt to the core -- he knows he has some making up to do. "Likeable characters, romantic setting, good narration style and plot - what more does one require of a romance? Although some of the events and reactions seemed a tiny bit farfetched, I thoroughly enjoyed reading how Nick and Willow tackle their own deep rooted problems and overcome their past. Pretty certain I will add this author and the Barefoot-Series to my favourites.
