Von Rebecca Donovan : Barely Breathing (The Breathing Series #2): 2/3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Barely Breathing (The Breathing Series #2): 2/3:

Kurzbeschreibung Barely Breathing by Rebecca Donovan is a US bestseller and the incredible sequel to Reason to Breathe. An utterly addictive and heartbreaking novel that will leave readers breathless and desperate for more. All fans of Jodi Picoult and new adult fiction such as Colleen Hoover's Slammed, Tammara Webber's Easy and Abbi Glines' Vincent Boys will love Rebecca Donovan's incredible writing. A must-read. Unanswered questions. Burning desire. Heartbreaking consequences. The scandalous secrets of Emma's abuse are revealed, but she still has so much to learn out about her past. Why did her mother leave her all those years ago? What really happened the night Emma's father died? Were her memories of being happy just a dream? The repercussions of one horrific night have affected the lives of everyone involved. But with the promise of true love and new relationships, will Emma let it ruin hers for good? Praise for Barely Breathing: 'Raw, honest, unflinching and unforgiving, Barely Breathing will take your emotions for a ride and deliver an ending you didn't see coming' - Tracey Garvis-Graves, New York Times bestselling author of On the Island. USA Today bestselling author Rebecca Donovan has been a writer most of her life, but has just recently been deemed an author. Her debut novels, Reason to Breathe, and its sequel Barely Breathing, have resonated with readers around the world. Rebecca is currently working on the third and final instalment of the Breathing Series, Out of Breath. She lives in a small town in Massachusetts, USA.
