Von Sandra Chastain : Baring It All (Mills Boon Temptation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Baring It All (Mills Boon Temptation):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. As funny as she was in LovesweptVon Ein KundeThe world's most successful male stripper Lord Sin plans to retire after this charity dance that will raise money for the Atlanta Arts Festival. Not only is Sin the headliner, he donates his infamous Palace of Sin to the Atlanta Arts Festival. To Sin's surprise, he is attracted to WTRU reporter Sara "Sunny" Clary, who is covering the event. Sunny hopes to expose Sin's identity in an exclusive.Sin places Sunny in the special

hot seat where the guest receives royal treatment. The show may be Sin's last performance, but he exceeds even his high standard due to Sunny's presence. Immediately following the show, Sin vanishes. Sunny turns for help in attaining an interview to the person who sponsored the event, Atlanta real estate tycoon Ryan Malone. He cuts a deal that he has two weeks to try to get her in his bed while he attempts to obtain the interview with Sin for her. Unbeknownst to Sunny, who wonders what is wrong with her hormones because she is attracted to two men, Ryan is Sin. **BARING IT ALL** is the usual Sandra Chastain excellent tale. The story line centers on what is truly the truth. Though Sin is a mysterious hunk, Sunny brings the plot to its fruition as she learns that veracity is in the mind of the beholder. Only Ms. Chastain could take an Atlanta striptease and make it seem wholesome and mainstream in a beautiful romantic novel; thus another triumph from one of the romance genre's top ten writers of all time. Harriet Klausner

You can always count on Sandra Chastain for romances with a lot of love and laughter. **BARING IT ALL** will burn your fingers with the dance scenes, pull your emotions with the depth of caring for others, and the bee scene -- well, you have to read that one. I would just like to know where Sandra did her research and why I wasn't invited! Hmm...will there be a seminar on dance techniques in the future?

I've been reading Sandra Chastain's Loveswepts for years and she keeps getting better and better. Harlequin made a smart move picking her up when Loveswept died. This book is wonderful. . . imaginative and very sexy. I wouldn't mind taking Lord Sin home myself.

KurzbeschreibungAs his alter ego, Lord Sin, Ryan amassed a fortune by making women want him. But now that he's ready to put his past behind him, he can't keep his hands off the one woman determined to destroy him. Reporter Sunny Clary is on a mission to disclose the true identity of legendary male stripper, Lord Sin. Only every tip-off leads her back to sexy playboy Ryan Malone. But what has her really confused is her intense reaction to the two men. Lord Sin leaves her yearning. Ryan Malone has her burning. How could Sunny fall for such completely different men? Or are they so different?
