Awesome read!!!Von Angi K.Ich habe dieses Buch nun schon vor einigen Tagen gelesen, aber es geht mir noch immer nicht aus dem Kopf. Bastard von J.L. Perry brachte mich zum Lachen, Weinen

und Schwärmen. Mittlerweile habe ich es schon zum zweiten Mal gelesen! Es ist sehr schön geschrieben und hat einen mitreißenden Verlauf. Carter, Indiana und alle Nebenfiguren (bis auf Carters Stiefvater) sind sehr interessant. Seit dem Zeitpunkt als Carter die herzzerreißenden Worte seines Großvaters hörte, dass er ein Bastard sei, lie ihn dies nicht zur Ruhe kommen. Carter verschloss sich und entwickelte sich zu einem frechen, arroganten und manchmal nur 'gespielten' Bastard, um sich selbst und andere zu schützen. Indi kann aber auch gut austeilen, sodass zwischen den Beiden eine Freundschaft mit viel Neckerei entsteht. Ich liebe auch die Bindung zwischen Carter und Ross. In der zweiten Hälfte gibt es einen Zeitsprung von fünf Jahren und zeigt wie sich die Figuren entwickeln. Carter wurde erwachsen und hat etwas aus seinem Leben gemacht, auch wenn ihn nie das Gefühl verlassen hat, dass etwas oder jemand fehlt. Nach dem Tod seines Stiefvaters ist Carter gezwungen wieder nach Hause zurück zu kommen. Er weiß nicht wie Indi auf seine Rückkehr reagieren wird. Nach seiner Rückkehr begegnen ihnen noch mehrere Hindernisse und ich liebe es wie sie und respektvoll sich Carter verhält. Das Ende ist perfekt und es ist eins dieser Bücher, die ich immer und immer wieder lesen könnte. J.L. Perry ist eine wundervolle Autorin und ich kann es kaum erwarten bis ihr neues Buch 'Jax' veröffentlicht wird. Wenn du gerne super geschriebene Liebesgeschichten mit vielen Emotionen, Schärfe und Lust liest, wirst du diese Geschichte wahrscheinlich ebenfalls lieben. -I've had Bastard for a long while, but read it just some days ago. (Now For the love of God I can't figure out why it took me so long. I think I was stupid or got hit on the head :D) BUT I think I'm still hungover. I laughed, I cried and I swooned. I've already read it twice! This book has an amazing plot and is beautifully written. Carter and Indiana and all the supporting characters (except for Carter's stepdad who I detest) are very interesting and well-developed. Ever since Carter heard some horribly vicious words from his grandfather Carter has been troubled. He is cocky, funny, arrogant and sometimes a real bastard, but it is conniving because you know why he behaves that way. However Indi has enough sass that she just doesn't buy his crap. Their friendship and banter is awesome. I also loved the bond between Carter and Ross. In part two we get to see how things are going five years later. I like that the characters actually grew and matured over the course of time. Carter has really made something out of his life, but he always knew that something or for that matter someone was missing. After the death of his stepfather Carter returns home without knowing how Indi will react. It's amazing how sweet and caring Carter is and the story just gets more emotional after his return as they have to face some obstacles. The ending was perfect. It's one of those books that I just could keep reading over and over again. J.L. Perry is an amazing writer and I can't wait for Jax to be published. If you like a beautifully written love story with a great plot, lots of emotions and hotness then you'll love Bastard by J.L. Perry. 0 von 0 Kunden fanden die folgende Rezension hilfreich. sweet romance with great characters Von Claudia This author is new to me, so I was not sure what to expect. What I hoped for was a nice, romantic romance with maybe a bit of angst and a lot of spark ... and that is exactly what I got. Indi was a bit too much of a goody-two-shoes for me at the beginning and she sometimes jumped to conclusions quite quickly, which did not endear her to me. Carter was a great hero. As a teen his behaviour was s*****, but as we were able to see his emotions, it was a bit more understandable. I hated that circumstances forced him to leave but I think in the end it was for the best, as it got him the chance to grow up to the person he was in the end. The second half was not very unpredictable but unbelievable sweet and I loved it! Carter was such a great man and I loved how things developed. So if you are looking for a sweet, romantic story, this is it! hope you enjoy it as much as I did

Kurzbeschreibung The #1 Bestseller. A heartbreakingly beautiful love story by Australia's favourite new romance writer and author of the #1 bestseller Hooker: J.L. Perry. ***FULL LENGTH STANDALONE READ WITH HEA*** Warning - Contains coarse language and sexual content. This book is recommended for 18 years and over. My name is Carter Reynolds. I was born a bastard and I'll die a bastard. I learnt it at a young age, and nothing and nobody can change that. I'm on a one-way path of destruction, and God help anyone who gets in my way. I hate my life. Actually, I hate pretty much everything. That's until I meet the kid next door. Indi-freakin'-ana. My dislike for her is instant. From the moment I lay eyes on her, she ignites something within me. She makes me feel things I thought I was incapable of feeling. I don't like it, not one bit. When she looks at me with her big, beautiful, haunting green eyes, it's like she can see into the depths of my soul. It freaks me the hell out. She's like sunshine and rainbows in my world of gloom and doom. I hate sunshine and rainbows. ****I'm Indiana Montgomery. My friends call me Indi. Despite losing my mum at the age of six, I have a wonderful life and great friends. My dad more than makes up for the fact that I only have one parent. I'm his little girl, the centre of his world. I adore him. When Carter Reynolds moves in next door, my life takes a turn for the worse. He's gorgeous, sinfully hot, but that's where my compliments end. He seems hell-bent on making my life miserable. He acts tough, but when I look into his eyes I don't see it. I see hurt and pain. To me, he seems lost. I should hate him for the way he treats me, but surprisingly I don't. If anything, I feel sorry for him. I want to help him find peace. Help him find the light that I know is buried somewhere within his darkness, but he won't have a bar of it. He's warned me time and time again to stay away, but I can't. I'm drawn to him for some reason. He's always referring to himself as a bastard. That may be true, but to me, he's more like a beautifully misunderstood bastard. Whether he likes it or not, I refuse to give up on him. Carter and Indiana's story is told in dual POV, and in two parts,

spanning over 8 years. ****INCLUDES BONUS CHAPTER OF J.L. PERRY'S 'HOOKER'*****VOTED BEST NEW AUTHOR FOR 2014 IN AUSROM TODAY'S READERS CHOICE AWARDS****J. L. Perry is a mother and a wife.
