Von Vaughn Heppner : Battle Pod (Doom Star Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Battle Pod (Doom Star Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The series continues to be an exciting readVon Ralph von VignauThe story is good with twists and turns so that it remains exciting. Only negative points are the frequent repeated text passages (some times more than a page) as cut and paste fillers. This shortens the books as I just skip them. The pace is usually very fast and several things happen in parallel

that seem disconnected but come together at surprising times and circumstances.
