Charming from beginning to end.Von Lugg2@Juno.comHas all the best elements of a good ghost story with enough modern skepticism to keep us enthralled. Michaels is master of the modern gothic.0 von 0 Kunden fanden die folgende Rezension hilfreich. Not as good as I hoped -- a disappointmentVon Mary Chrapliwy / Reviewer's DiaryI have read many of Barbara Michaels' books and enjoyed most. This book, however, lacked the suspense and excitement that most of her other books have. This book was quite a disappointment.
