Von Alexandra Potter : Be Careful What You Wish For (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Be Careful What You Wish For (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Tolle Geschichte Von Alice-Y. Um mein Englisch zu verbessern bzw eine routine zu bekommen hab ich mir ganz viele englische Bcher besorgt. Die Geschichte ist leicht zu verstehen und ganz unterhaltsam, eine Lektre fr zwischendurch. Es sind nicht all zu viele unverständliche Passagen, meistens hapert es ein wenig an meinem Redewendung wissen. Ich

musste anfänglich ein paar Vokabeln bersetzen um die im Buch verwendeten Sprichwörter zu verstehen aber sonst einfach nur schön geschrieben. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fg Von Customer This book asked me for access to all my cellphone data. And even after autorizing it doesnt charge to my device. Where can i get my money back 2 von 2 Kunden fanden die folgende Rezension hilfreich. Average Chick-Lit Read Von xIn "Be Careful What You Wish For" by Alexandra Potter, Heather Hamilton's wishes suddenly all come true after she buys some magical heather from a gypsy. As an obvious chick-lit read, this is very light literature. I'm very fond of my wishes-coming-true novels and therefore it was out of the question not to buy this one Unfortunately, the storyline is as thin as it sounds. I could summarize in about three sentences what happens in the novel: Heather gets the Heather, some dude moves in with her, her dream man is suddenly all over her. Bam. That's it. You can kind of guess the rest. Yes, I know chick-lit isn't supposed to be deep or have any dramatic turns of actions, but when I'm at a point where I can just skip four chapters and still understand everything that's going on, there's something wrong. A novel should always be as long as the story demands, an agent told me once. And this clearly could have also been alright as a 5,000 words short story instead of a full-length novel. (Plot 0/5) Protagonist Heather's wishes may be coming true but oddly enough, she doesn't do anything about it. As a reader it's just frustrating to have this girl have everything just literally a wish away, but she doesn't even try. Even when she realizes what's happening, she doesn't consciously make wishes and it made me want to pull my hair out. As a result, I never really connected to Heather, who's essentially an extremely relatable character. She isn't supermodel-thin, has real life problems like everybody else and doesn't work in a fashion magazine like every chick-lit main character ever. Aside from Heather I also really didn't care about any of the other characters and therefore it's quite impossible for me to like this novel. While I do encourage diverse characters, it's just annoying how superficial Potter remains and simply reduces side characters to one or two obvious characteristics (skin-colour, sexual orientation, religion, looks). At no point the reader gets a chance to get to know the characters on a deeper level and to me, this is one of the main factors when deciding whether I want to continue reading or not (Characters 0/5). I'm really sad about not liking this, because Potter is a fantastic writer. She writes funny, light and entertaining and had I not had those issues with the characters, this could've been amazing! (Writing 4/5) Overall: Do I Recommend? With a heavy heart I'm saying no. I love the premise, it's exactly my thing. I love the idea of Heather's character, the diversity is great but there is just so much lost potential that I want to rewrite this myself. It's a light read and I definitely understand that for some people this is exactly the kind of chick-lit they're searching for, but sadly, it's not for me. Rating:

Kurzbeschreibung I wish I could get a seat on the tube I hadn't eaten that entire bag of Maltesers I could meet a man whose hobbies include washing up and monogamy Heather Hamilton is always wishing for things. Not just big stuff - like world peace or for a date with Brad Pitt - but little, everyday wishes, made without thinking. With her luck, she knows they'll never come true Until one day she buys some heather from a gypsy. Suddenly the bad hair days stop; a handsome American answers her ad for a housemate; and she starts seeing James - The Perfect Man who sends her flowers, excels in the bedroom, and isn't afraid to say I love you But are these wishes-come-true a blessing or a curse? And is there such a thing as too much foreplay? Pressestimmen Nobody does it quite like Alexandra Potter (Daily Mirror) A touching, funny love-story (Company magazine) Always perceptive, often funny, never dull (Heat magazine) Sharp, witty dialogue (The Scotsman) Slickly written and often very funny (The Times) This warm and funny story... appeals to the romantic lurking in all of us (Sunday Mirror on CALLING ROMEO) A cracking summer read (Heat magazine on CALLING ROMEO) Essential reading (Company magazine on CALLING ROMEO) PRAISE FOR PREVIOUS ALEXANDRA POTTER TITLES: 'Feel-good fiction full of unexpected twists and turns' (OK! magazine) Werbetext A sassy romantic comedy to delight fans of Sophie Kinsella, Freya North and Helen Fielding. You couldn't wish for a better book!
