Ginger Is Riding Bearback!Von Ingrid Stephanie JordanTitle: Bear His LoveMidnight Sun ShiftersAuthor: Scarlett GroveReviewer: Stephanie Jordan#Paranormal #BearShifterThis was a really interesting book to read.I enjoyed it immensely, of course we all would love a Fairy Godmother, I mean don't we deserve, just for weekend?Ginger Allen was in Juneau, Alaska with the last bit of her money. Funny how one minute she had the world at her finger tips, than a minute later it became a very hard life for a long time, taking care of her dying father. At her dad last request to spread his ashes around he hunting cabin plus find something he had hidden in Alaska. She needed to hire a cheap wilderness tracker.Brock Montgomery just became Alpha of the Clan Montgomery Bears. Brock knew his whole life he was going to take over, but he didn't think when he became Clan Leader the Elders would then tell him to find a Mate. Brock was also head of Family Business Montgomery Wilderness Guides. Meeting with Ginger Allen to guide her was a breath taking experience!
