4)-AN ENTERTAINING ROMANTIC STORY;The story focuses on; ALICE, a sassy, curvy, blue-eyed beauty, and accountant. JAX, a strapping heart-stirring polar bear-shifter, and hockey player for the Shifter Grove Shovelers.What you'll find in this story; a cast of awesome impressive and engaging characters, phenomenal banter, intriguing story-line, picturesque and fabulous vivid scene descriptions, phenomenal banter, action, gripping suspense, life threatening incidents, family issues, emotions skyrocket, earth-shattering toe-curling sensual romance, and a melt your heart conclusion that leaves you wanting more.Jax and Alice have been set up for an arranged mating due to no fault of their own. Certain family circumstances have brought them together. When they meet for the first time in Shifter Grove pleasantries are exchanged, but as they get to know each other a true romance flourishes between them. Jax finds Alice attractive, but more importantly he enjoys the banter between them and her sweet nature. Alice thought the hockey player would be egotistical and flaunt his familys wealth, instead she found the strapping bear to be kind and loving. Certain circumstances threaten to tear the couple apart, and is coming to Shifter Grove with a vengeance.FABULOUS-fast paced well written read by a truly gifted author. The author does not disappoint by giving readers an entertaining story, but also shows how keeping secrets from your significant other is dangerous, and not good for a healthy loving relationship. Though this was an arranged mating Jax and Alice complimented each other, and their romance shines like a shooting star. I thoroughly enjoyed this story, a most delightful read. If you treasure shifter romance this is a fabulous book for your library. {I was gifted this book and this is my completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.
