demands on the brothers. Shifter Grove has also been dealing with unexplained fires. Redmond has come to town to aide his brother Royce, meet his new sister-in-law and get married? Rose is a smart woman. Due to financial hardship she took a job as an exotic dancer. Her boss at first was nice and flirty. Thinking nothing of it she did not mind that he wanted to help her with mounting bills. Everything turned bad when his intentions were unrequited. Leaving the city was just the ticket to escape; into the arms of her husband Redmond? I love the Hamilton Brothers I cannot wait to see what Anya has in store for Ragnar!0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung The flames scorch, but the fire burns on... Rose has found herself in more trouble than she can handle. With some salacious secrets tucked away, along with a few bad choices, she is hoping to start fresh and forget all about them. But when her past catches up to her present, robbing her of her safety and her future, she needs a way out. Where better to run than into the arms of a big, burly werebear all the way in Idaho, right? Redmond Hamilton has no intentions of getting married. Why would he? With a successful career in Los Angeles and a playboy lifestyle, this firefighter bear has it made. Yet, only one trip to his old family home brings back a flood of memories and when a gorgeous, curvy beauty is added into the mix, it gets harder and harder to go back to the Golden State. With a dangerous fox-shifter ex after Rose, wildfires raging in Shifter Grove and Redmond's uncle's will adamant about him and his brothers marrying, is there really any easy way out? It doesn't look like it, but it's sure to be a hell of a ride. Firebear Brides is a BBW Firefighter Mail-Order Bride Werebear Romance series with plenty of hot werebear action set in Shifter Grove. Each book can be read as a stand/alone with a guaranteed HEA/HFN. Expect plenty of sizzle. You might even need to bring your own hose. Kurzbeschreibung The flames scorch, but the fire burns on...
