and Rory's Story! Von Ingrid Stephanie Jordan
Title: BEAR THE HEAT
Mating Call Dating Agency Story
Alpha Werewolf Romance
Author: Lynn Red
Reviewer: Stephanie Jordan
I have a habit of getting really into my books and this one Ms. Red has written her characters to be smart and so funny that it had me laughing from beginning to end.
Breaker Hart is a firefighter and a Werewolf who has been feeling lonely lately maybe he should start looking for a mate. Daniel, Breaker's boss surprised him by making an appointment for him at the Mating Call Dating Agency, with Yvette Lorraine, who was the matchmaker.
Lorelei Roberts, whose friends call her Rory, worked for the White Creek Police Department, she loved her job and was good at it. But her partner, Monte had the exact same idea as Daniel did and made an appointment for Rory. Now what are the odds that you go to an appointment and meet someone you want and the feelings were mutual. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung
What do you call a six-and-a-half-foot tall, muscled up, bear-shifting fire fighter? What about one with a long record of selflessly saving cubs from burning buildings? How about yes please!
Breaker Hart is all those things. Hes every ounce the panty-melting, bad boy, calendar hunk bear youd think. Theres only one problem: theres a hole in his soul, and he knows he needs a mate to fill it, but hell be damned if he can find the one.
Mink-shifting Lorelei Roberts is a damn good forensic scientist. But in between breaking cases, shes starting to get... nervous. No matter what she does, her brains in a million places at once and her nerves are pretty much a frayed bundle of electrical wires.
One day, while shes swirling some chemicals in a vial, it hits her square in the face she needs a man. Or at least a really, really good lay. Damn. It couldnt be that she needed a new car, or a bigger house nope, of course not. It had to be the one thing in the world shes the worst at. Dating.
The second Rory and Breaker lay eyes on each other assisted by the legendary Eve and Dora of the Mating Call Dating Agency something clicks. Rory knows shes finally found someone who likes her for who she really is, and Breaker cant get her out of his head. But, will an explosive investigation burn them both up before they can ever have a chance to find out what love REALLY is?***
The Mating Call Dating Agency is a series of stand-alone stories, each with its own HEA. They can be read in any order!***
