KurzbeschreibungBeautiful, curvy Amber is ready to reclaim her freedom. She's had enough of her husband's lies and she's done with his family's weird rules. She's getting a divorce, and she's taking her 8-year-old daughter with her. Oh, and she's determined to stay away from men. For now at least. But her best friend, Rebecca, has other things in mind. She takes her to the one place where Amber can find what she's truly looking for: Shift Your Fate. Instead of advising her to leave her past behind, the empath Kassandra reminds her there was someone else before her ex-husband, someone who could have made her happy, if only she had given him a chance. Tyler Atwood lost contact with Amber ten years ago, when she married Stephan Castell. He had a choice to make then: tell her the truth about her husband, or step aside and leave them be. He chose the latter. Amber wouldn't have believed him anyway. Bear-shifters? An Assassins' Guild hunting supernatural people? On second thought, it was better if she never knew. Now, Amber is back into his life. Being with her puts both of them in danger, but how could he resist? She's always been the only woman who could tame his bear.Bear Unbound is the first book in the Shift Your Fate series of standalone novels. What you should expect: hot, steamy scenes, growly Alpha males, beautiful, curvy heroines, and well-deserved happily ever afters. Intended for readers 18+.KurzbeschreibungBeautiful, curvy Amber is ready to reclaim her freedom. She's had enough of her husband's lies and she's done with his family's weird rules. Intended for readers 18+.ber den Autor und weitere MitwirkendeCara Wylde loves to write about strong, feisty women and their hot Alphas who will do anything to make them happy. Her books are filled with romance and just a dash of mystery, suspense, and that eerie atmosphere she fell in love with reading too many gothic novels. With a master's degree in Comparative Literature, she can't help but play with tropes and themes from various genres, trying to come up with fresh perspectives on the paranormal characters her readers love so much. Vampires, shape-shifters, demons, witches... Cara will always make sure they get their own twists. When she's not writing, Cara is reading, planning her next story, or daydreaming. Her idea of pure heaven is a day filled with nothing but her laptop, a huge coffee pot, relaxing music, and a new, exciting project.
