**Von Terry Brooks : Bearers Of The Black Staff: Legends of Shannara: Book One** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bearers Of The Black Staff: Legends of Shannara: Book One:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Terry Brooks at his bestVon -KundeI've been following Terry Brooks for about 25 years, and after being a bit disappointed

of "A Princess for Landover", the "Bearers of the Black Staff" is a book I've been waiting for for two years. It's got everything a good fantasy story needs, and although I've read everything from Terry Brooks and the story is typical for Terry Brooks, he still manages to keep me hooked and to surprise me. As always, the book ends in the middle of the story, but since this part consists of only two volumes, the end of the story will be there in one year.---Ich verfolge Terry Brooks seit ca. 25 Jahren; nachdem ich von "A Princess for Landover" etwas enttäuscht war, ist "The Bearers of the Black Staff" das Buch, das es wert war, darauf zwei Jahre zu warten. Es hat alles, was eine packende Fantasy story braucht, und obwohl ich alles von Terry Brooks gelesen habe und es eine seiner typischen Geschichten ist, schafft er es doch, mich bei der Stange zu halten und immer wieder zu positiv überraschen. Wie immer endet das erste Buch eine Serie mitten in der Geschichte, aber zumindest muss ich "nur" ein Jahr auf die Auflösung warten, da es sich nur um eine Duologie handelt.

Kurzbeschreibung Five hundred years have passed since the devastating demon-led war that almost exterminated humankind. Those who escaped the carnage were led to sanctuary by the boy saviour known as Hawk: the gypsy morph. But now, the unimaginable has come to pass: the cocoon of protective magic surrounding the valley has vanished. When Sider Ament, last surviving Knight of the Word, detects unknown predators stalking the valley, and Trackers from the human village of Glensk Wood, find two of their own gruesomely killed, there can be no doubt: the once safe haven of generations has been laid bare. Together, the young Trackers, the aging Knight, and a daring Elf princess race to spread word of the encroaching danger. But suspicion and hostility among their countrymen threaten to doom their efforts from within, while beyond the breached borders, a ruthless Troll army masses for invasion. Standing firm between the two, the last wielder of the black staff and its awesome magic must find a successor to carry on the fight against the cresting new wave of evil. Pressestimmen Chronicling another piece of the amazingly extensive Shannaran history . . . Light, enjoyable reading that keeps a good pace, it's a great fantasy read for diehard fans and newcomers alike (WATERSTONE'S BOOKS QUARTERLY) Exciting and engrossing (SCIFINOW) Pressestimmen Chronicling another piece of the amazingly extensive Shannaran history ...
