they disturb the flow. But regardless it is ideal for some time one has to pass.

KurzbeschreibungMila is a curvy young woman looking for a change. Not having a plan, she escapes the crowds of L.A. and ends up in Bear Creek, a sleepy little hamlet in northern Montana, where she meets the hunky outcast, Emerson. On her first evening in Bear Creek Mila gets attacked by three dangerous strangers. But a mysterious hero rushes out of the dark of night and comes to her rescue, saving her from near certain death. Having lost her glasses in the scuffle and almost knocked unconscious, she has no idea that it was Emerson who saved her. Terrified and shaken, Mila is taken in and comforted by Emerson, who has by now developed a crush on her. Little do they know, however, that Mila's attackers are still out there, searching for her. But when they finally locate her, they soon find out what happens when danger comes between a grizzly bear and the mate he's determined to protect for life.
